AN ALL WESTERN ELEVEN.

F. D. Cornell Selects One from the Four Teams of the Interstate League.

F. D. Cornell who has officiated as referee and umpire in many of the games of the league, and who knows more about these players individually than any man in the west, has figured out an all western team. Two Nebraska men are given places on it, with two more closely contesting. His line up would be: Right end Wiggins of Nebraska, right tackle Leighton of Iowa, right guard A. Hill of Missouri, center Walker of Kansas, left guard Hamil of Kansas, left tackle Conley of Missouri, left end Thomas of Iowa, quarter back, Thorpe of Nebraska, right half Holbrook of Iowa, left half Baine of Kansas, full back Hester of Kansas. Substitutes, Fitzpatrick of Kansas, Pearse of Nebraska, Blatin of Missouri in the line, and Shedd of Nebraska, Meyers of Iowa, and Voigts of Kansas backs.

He says of the Nebraska players, "For the position of quarter-back, I would choose Thorpe of Nebraska. Thorpe's heady punting which has been one of the features of Nebraska's play entitles him to the place. Shedd and Voigts could fill either of the places of half backs if it were necessary. There is not much doubt as to the ends, Thomas of Iowa and Wiggins of Nebraska proving themselves to be stars in these positions." He mentions Pearse favorably among the tackles and Turner, guards.
