UNIVERSITY DEFEATS OMAHA.

The University basket ball team went up to Omaha last Friday evening and evened up accounts with the Y. M. C. A. team of that city by administering a defeat by the close score of 10 to 9. The University boys were treated royally by the Y. M. C. A. and all the way home they could talk of nothing else but the courteous treatment they had received. During their short stay there they were kept at the Paxton hotel and every possible arrangement was made for their comfort. Another pleasant feature was that there was absolutely no kicking on the decisions of the umpire and referee.

The University team received a flattering report in the local press and the game was given very prominent notice.

The following is taken from the account in the Omaha Bee:

"After the most exciting and best played game of basket ball ever seen in Omaha, the team representing the University of Nebraska won over the

team of the Young Men's Christian Association team of this city by the score of 10 to 9. The game was exciting from the start to finish, the excitement reaching its climax in the last minute of playing when a goal from the field would have won for Omaha and a goal from a fowl would have tied the score. But the visitors had worked too hard for their narrow margin of victory to lose it at the last moment and so they clung right to it as closely as an argonaut would to a pass to Klondike.

The contest was witnessed by a crowd of 300 spectators and their shouts and cheers showed how they enjoyed the sport. Around the main floor of the gymnasium and throughout the gallery above were seated the champions of the rival teams. The fair ones predominated and there was a generous display by them of the colors of the teams. The Omaha contingent made the most noise with their shouts of encouragement and cheers of approbation, but a smaller representation of students from the state university exercised their vocal organs with pronounced effect. There was much brilliant playing throughout the game and the playing in the second half was much superior to that in the first half. For the home team Stillson, Cortelyou and Monaghan easily excelled in playing. White Story and Yoder carried off the honors for the visitors. It is to be regretted that the two teams cannot play again this season, each team now having won one game. Dr. William W. Hastings, physical director of the University of Nebraska, said to the Bee after the game that another game would be impossible on account of the lateness of the winter season.

The line up of the team was as follows:

Omaha.	Position.	Nebraska
Stillson f.	Story
Rinquest c. f.	Hill (Capt)
Cortelyou	Yoder
Monaghan r. g.	W. E. Anderson
Redfield (Capt) l. g.	R. D. Anderson

Score: Nebraska, 10; Omaha, 9.
Nebraska: Goals from field, Anderson 1, Story 2; goals from fouls, Story 4.

Omaha: Goals from field, Cortelyou 3, Stillson 1; goal from foul, Stillson 1.

Referee: Dr. William W. Hastings.
Umpires: Joel, Stebbins and F. B. Barnes.

Timekeeper: M. H. Nelson.
Scorers: L. B. Ryan and J. C. Callahan.

ATHLETICS DEFEAT PERSHING.

The first game of indoor baseball was played in the gym last Wednesday evening between the Pershing Rifles and the Athletic class. The game, while rather one-sided, was interesting throughout and ended by a score of 24 to 6 in favor of the Athletics. If it was not played in a strictly scientific manner, it afforded lots of enjoyment for everybody present.

The Athletics were quicker and surer in fielding the ball and their almost reckless base running won for them many scores.

Rain and Campbell in the box were very evenly matched, except that Rain gave a few more bases on balls than did his opponent.

At the conclusion of the game the Rifles declared they could make a better showing if they had another chance, so they were immediately accommodated and another game of five innings was started.

It was much better played than the first game and was intensely interesting in the last inning when the Rifles had three men on bases, but were unable to score. The second game ended with a score of 4 to 4.

The positions of the two teams were as follows:

Athletics.	Pershings.	
C. C. Campbell f.	Henry
Campbell p.	Rain
Rhodes f. b.	Hull
Swallow s. b.	Woodland
Case ss.	Weeks
McGeachin ss.	Parmelee
Yoder l. f.	Roddy
Waterman c.	Lau
Ryan r. f.	Brown
