

In the Gym.

Work on the cinder track has been postponed for a few days on account of the failure of the contractor to procure a number of scrapers. Only such work as is necessary to put the track into condition for practice will be done in the next two weeks.

The contestants in the field day, May 7, will be trained systematically if nothing else. Dr. Hastings has made out a prescription and schedule of work for every day's training from now until the date of the contest.

One week from tomorrow will occur the outdoor pentathlon. The prize in this contest will be the handsome new O'Mahoney \$20 gold medal. A prize of such value as this should and undoubtedly will call out a great number of contestants, as well as the best efforts of those engaged in the contest. Following are the events of the pentathlon: 100 yard dash, hammer throw, pole vault, running high jump and the one mile run. All entries must be in at 6 o'clock next Monday.

GIRLS' ATHLETIC CONTEST.

The girls' athletic contest is awakening much interest and enthusiasm, not only among the girls, but among those who are looking forward to attending. Some of the girls have been practicing regularly all through vacation, and the contests will be real trials of skill and strength.

For the indoor Pentathlon, which is open to second year girls, there will be prizes of medals offered for those scoring first, second and third. These medals, which have been ordered from the east and will be here soon, were donated as follows: The first prize, a \$10 gold medal, by Miller & Paine; the second prize, a \$5 silver medal, by A. E. Spurek; the third prize, a \$2 bronze medal, by Perkins & Sheldon. For the athletic contest open to girls in the first year class, the following prizes are offered: The first prize, \$5 fencing foils, by the FitzGerald Dry Goods company; the second, a tennis racket; and the third a pair of Indian clubs, given by C. W. Leighton.

The following ladies have consented to act as patronesses: Mrs. George E. MacLean, Mrs. MacLean, Mrs. C. E. H. Messey, Mrs. F. M. Fling, Mrs. E. H. Barbour, Mrs. L. C. Richards, Mrs. W. B. Ogden, Mrs. S. H. Burnham, Mrs. Dr. Bailey, Mrs. William M. Clark, Mrs. William W. Hastings.

The date of the contest has been advanced from April 16 to April 30 on account of the rumored failure of the enterprise and to allow more time for practice. It will take place on the afternoon of that day from 3 to 6 o'clock.

The proceeds were originally to be contributed to the cinder track, but on the plea of the basket-ball girls, which seemed a perfectly just one, the managers have agreed to divert 25 per cent. of the proceeds to the girls' basket ball fund. The rest will go to the track fund. From the activity shown by all interested, there is no doubt that this sum will be a good one. The list of patronesses also makes the success of the affair in a social way beyond question.

THE ATHLETIC ANNUAL.

The athletic annual has not been making very much noise of late but it is in fact very much alive. The chief editor of the enterprise had been assumed by J. E. Pearson and it is now expected that the annual will be rushed to an early completion.

The board of editors will meet this week and assign work with the expectation of getting all the material ready for the printer by the end of this month.

Besides the regular board of editors will be the honorary members, which will be the captains and managers of the various athletic teams in the University. The honorary members consist of G. C. Shedd, W. H. Oury, Ed Gordon, Fred Ryons, and the captain, yet to be selected, of the track team.

The present intention is to have the annual consist of about 60 pages, including 25 illustrations and the cost of the book will be 25 cents. It will treat of the following subject: The football season, the Freshman-Sophomore contest, basket ball, indoor base ball, the tennis tournament, the boys gymnasium exhibition, the girls' athletic exhibition, field day, intercollegiate field day, records and trophies.

RECEPTION TO MISS SMITH.

One of the most pleasant gatherings of the year in University circles, took place Saturday evening, April 9, when the University alumni, especially those of earlier classes, assembled in honor of Miss Ellen Smith, the registrar, this month marking the twenty-first year of her connection with the Uni-

versity of Nebraska. Miss Smith went to spend the evening with Mr. and Mrs. H. H. Wilson and was persuaded to go with them to view the Thompson ball. There she found sixty or seventy of the alumni gathered in her honor and a pleasant social time was enjoyed.

Later in the evening those present sat down to a delightful luncheon. There were a few informal toasts, Mr. W. O. Jones acting as toast master. Responses were made by A. W. Field, Lawrence Fossler, H. W. Caldwell, J. R. Mockett, Miss Louis POUND, H. H. Wilson, and Chancellor MacLean. At the close Mr. H. H. Wilson presented her with a handsome cut glass bowl in behalf of the alumni. One of the best speeches in the evening was that made by Miss Smith in response. The credit for the successful management of the affair belongs to Messdames Wilson, Ansley, Hardy and Miss Loomis.

THE BASEBALL TRIP.

The baseball management has finally arranged a schedule of games for the southern trip which is satisfactory in every respect. One fact which speaks well for the judgment of the management is that there is not a single night on the trip in which it will be necessary for the boys to sleep on the train.

The team will leave Lincoln Friday morning, April 29, and will play the Kansas state agricultural college in the afternoon, Saturday morning, April 30, a game with St. Mary's is scheduled and Washburn college, Topeka, will be played on the afternoon of the same date. The team will remain in Topeka until Sunday noon, when it will go to Emporia, playing there Monday, May 2.

The boys will then play the Jayhawkers of Kansas University at Lawrence, May 3. From there the team will go to Columbia, Mo., and play two games with Missouri State University, May 4 and 5. The following day a game will be played with Missouri Valley College at Marshall, Mo. A game with Tarkio is also a possibility.

This trip is evidently carefully planned and shows hard work on the part of the baseball management.

PERSHING RIFLES EXHIBITION.

The members of the Pershing Rifles are at present busily engaged in practicing for an exhibition drill which which the Rifles intend to give sometime near the end of the month. Some of the features of the drill will be a silent manual drill by the whole company and an exhibition of wall scaling. A silent bayonet drill by the whole company is one of the probabilities. In addition to these special features will be the regular infantry drill and spell down and the awarding of the gold medal. On account of the limited capacity of the armory, admission will be by ticket, each member of the company being provided with 5 tickets.
