AMES GOES DOWN TO DEFEAT. (Continued from Page 1).

repetition of what had preceded. Good runs were made by Erwin and Stringer. Cowgill made another attempt at a place kick for goal from near. No result came from it. A few minutes later Ames fumbled the ball after it had been punted and Cowgill chased after it, caught it and headed for the Iowa goal at a great rate. This gave the last touch-down of the game for Nebraska. Ames made one in the second half to offset the one which they made in the first. The line up of the two teams was as follows: Varsity. Ames, Elliott, Reardon, Griffith, Reasoner, Kingsbury, Dimphy, Turner, Scholtz, Mciford, Byl, Hansen, Chambers, Pillsbury, Eckles, Stringer, Edson, Cowgill, Walker, Benedict, Roberts, Williams, Smith, Erwin, Maine. Eckles, left tackle for Ames, had his leg broken during the first half of the game. This shows the hard luck in which the team is playing. The week before Capt Tarr had his leg so badly injured that it is doubtful if he will ever be able to play again. Concerning the Ames team as a whole, it may be said that they are one of the most gentlemanly outfits of foot ball players that ever came to Lincoln. There was very little slugging in the game and they played a good, clean article of ball. Their average weight was about 163, which is somewhat lighter than our men, and much lighter than the Ames men usually are. The game which they play tomorrow at Kansas University of interest by all our students, as it will be a good chance to compare the respective merits of our own team with those of Kansas. In one or two respects our team did not come up to the expectations of their admirers. Team work is rather ragged at times and they are very slow about lining up. As individuals, there was never a better lot of foot ball material in the Varsity. If we can get them so that they hang together they will make one of the warmest times in the league games that clubs have experienced. The new men, Erwin and Reasoner, showed up great in the game and strengthened the team to a noticeable degree.
