History Paper made from 24 lb. Monroe Royal, Ruled and Punched, 8c per 100. In unbroken packages of 700 35c per pack. Book and Stat. Dept., Herpolsheimer & Co.

The Pershing Rifles held their usual drill last Thursday on the asphalt pavement on Eleventh street. A large crowd gathered to watch the extended order formation.

Professor Brace has received a very interesting line of tuning forks where vibration is too high to be heard, though the difference can be perceived when they are struck together.

A telegram was received from Bracton Broady Tuesday evening, announcing that he had arrived at San Francisco safely from Manila with 200 other Nebraska boys. They are expected home within a few days.

Mr. J. S. Moore, general secretary of the Y. M. C. A., has been chosen to succeed E. W. Ellis as college secretary. Mr. Moore has been engaged in city and college Y. M. C. A. work in Iowa for several years and is a very able man.

Miss Lillian Thompson of West Point and Alma Koch of Lincoln were initiated into Delta Delta Delta last Saturday evening at the home of Miss Mamie Miller. A banquet was enjoyed by the active members and a few alumni after the ceremony.

Captain Reeder of the base ball team wishes to announce that all pitchers report for training on Saturday, January 28, and all base ball men will enter the training class on Monday, January 30. This begins the regular work of the season, which will thereafter be carried on without interruption.

The January number of the Nebraska Dairyman contains the following: Prof. Lyons of the state university had a very interesting and instructive paper at the state dairyman's convention, "Forage Plants and Experiments Made on Their Cultivation and Feeding at State Experimental Farm." It was an excellent illustration of the good work the university is doing for agricultural interests under the present able and progressive management.

Professor Hodgman expects to resume his class work next semester. He will offer an elective in Taylor's Revised Calculus. The class will meet daily and a credit of one course will be given. An elementary knowledge of trigonometry and analytical geometry alone are necessary. The course will be found fairly sufficient for the engineering courses and will be especially valuable for those students who expect to teach and desire a general view of this most unique mode of mathematical reasoning. The class will meet at 9 o'clock.

There being so much talk about an L. S. C. club, a few law students organized a Lawyers' Social club last Saturday morning. The members are: DEAR Reese, Roddy Humphrey, Thomas and Bischof. The pin adopted was a flying dutchman embossed in bronze and superimposed upon a staff. Their yell is as follows:

Rah, rah; rah, rah;
 Rah, rah, Reese;
 L, S; L, S; L, S, C;
 Hooray!
