## ATHLETICS.

### THE RACE FOR THE PENNANT.

#### '92 Wins the First Game.

The first scheduled game for the class pennant took place on the campus, Thursday, between '92 and '93. It was pretty generally admitted before the contest that '92 was sure to win, though few believed that the battle would be so easily won as the score certainly indicates. The juniors, when they appeared on the field, seemed to have little organization and less enthusiasm. On this account largely can be attributed the unequal contest. Fortunately for the seniors they have five men that have played in the regular team. When lined up in the center the players were found to be in the following positions:

SENIORS		JUNIORS
Troyer.....	left end rush.....	Sawyer
Skiles (capt.).....	right end rush.....	Larson
Pillsbury.....	right tackle.....	Gund
Hyde.....	left tackle.....	Stroman
Yates.....	right guard.....	Pollard
Wolfe.....	left guard.....	Barr
Porterfield.....	right half back.....	Barber
Chandler.....	left half back.....	Murray
White.....	goal tend.....	Wolfe
Barkley.....	quarter back.....	Lord
Storkton.....	center rush.....	Anderson (capt.)

REFEREE—T. H. Marsland.

UMPIRE—Roscoe Pound.

At the first kick off about twenty-five yards were gained for '92, and the first touch down was made in less than five minutes. Ten more points were added before the first half was called, making 14 points for '92 and 0 for '93.

In the second half '93, realizing that the "irrepressible conflict" had begun, started out to redeem themselves. But the repeated charges against their opponents' rush line had little effect, and they were soon driven into their own territory. Once during this half, when a foul was called by the referee, Lord secured the ball and carried it over the line, making the first, last, and only touch down for '93. After considerable parleying, the foul was disallowed and the juniors were happy. The Seniors were now on their mettle and added point after point to the already unequal score. When time was called the score stood, for '93—4, for '92—40. Then it was that above the din and confusion could be heard "boom rah, boom rah, boom rah, boo, ninety, ninety, ninety two."
