EDITORIAL NOTES.

THE HESPERIAN is indebted to Roscoe Pound for the report of the football game between the state universities of Iowa and Nebraska. We take this opportunity to tender him our best thanks.

It is currently reported that Mr. David Rowe, the widely known base ball manager, has made a proposition to the athletic association to take the football team to Denver for a game with a club representing the school of Mines. Perhaps the heartiest, or at least the most practical assistance yet rendered was the offer of the musical department to give a musical concert for the benefit of the association. Of course, such a generous offer was enthusiastically accepted, and elaborate arrangements are being made for the recital. Mr. and Mrs. Menzendorfs' reputation as musicians, and the high stan-
