

Dowling's work being exceptionally fine. Holmes and Barnes did splendid work as the battery, the former having not a single passed ball. The university boys understood that the game was to be of seven innings, giving them time to reach drill practice. At the end of the seventh, the university boys were ahead 8 to 5, but Lincoln took advantage of Barnes's sickness and Westerman's errors and bat out five runs and were saved the embarrassment of being beaten by an amateur club. Westerman is a good out fielder and should exchange third base for Marlay's or Dowling's field.

The following is the score by innings:

Lincolns.....	2 0 0 0 0 2 1 5	—10
University.....	1 0 2 0 0 3 2 0 0	— 8

Batteries—Pender and Mesmer, Barnes and Holmes.
 Earned runs—University 2, Lincoln 4.
 Base hits—Lincoln 7, University 9.
 Two base hits—Holmes, Stroman, Pace, Mesmer.
 Three base hits—Mesmer.
 Home runs—Fear.
 Passed balls 0.
 Double plays—Green and Hicks, Hadley and Stroman.
 Bases on balls—Off Barnes 6, off Pender 1.
 Struck out—By Barnes 5, by Pender 5.
 Errors—University 3, Lincoln 5.
 Hit by pitcher—Barnes 3.
 Umpire—Woods.

ATHLETIC NOTES.

Allee is a splendid class leader in the gymnasium.

The university holds the state field day this year.

Medals will be given to the first and second winners at the state field day.

Join the athletic association if you wish to take part in the field day sports.

Whaley and Gerrard took prominent parts in the Y. M. C. A. gymnasium exhibition, April 20, at the Funke.

Owing to lack of time for preparation and other causes, the university will not take part in the inter-state contests at either St. Louis, Mo., or Champaign, Ill.

The foot ball and base ball players should combine and form an eating club in which the proper wholesome food, necessary to proper training, would be served.

Minneapolis has disappointed the ball club by refusing to guarantee expenses of our club should they go to that place for a game, so that we will not meet that university this season.

The officers of the state athletic association, who were elected under the old constitution are as follows: President, F. W. Leavitt, Doane; vice-president, C. E. Tefft, University; secretary, Sumner, Cotner; treasurer, J. Roberts, Wesleyan; director of sports, W. H. Sawyer, University of Nebraska.

On Saturday, May 7, the university will hold its field day at Cushman park. The sports will probably begin in the forenoon. No base ball game will be played unless the program is sufficiently short to allow more time than has heretofore been followed for the ball game. The trains will carry the crowd into the park and return for a small amount and a large attendance is expected. Arrangements will be made so that those not wishing to take dinner at the park will be admitted again in the afternoon without further payment. The condition and excellence of the participants has greatly improved over last year and some hot contests are expected. The track will be in good condition so that good speed will be made by the sprinters.

Every university organization should offer from two to five medals for field day. The medals need not be expensive, and as Doane, Cotner, and Wesleyan have offered their

portion, the university, which has as many students as the three combined, should furnish its share. As was remarked by a brainy junior, "If a student can win at our local contest, he will take the medal at the state field day." And this has been the case in two-thirds of the previous contests. So in offering a medal you need have no fear that it will go elsewhere than to a university student. The committee on medals, Messrs. Chandler and Sawyer, will gladly furnish any information concerning the style and price of medals and will receive your offer to furnish several with equally as much pleasure.

STRAY PICK-UPS.

The special company drills six times a week now.

E. S. King, watches, clocks, jewelry. 1300 O street.

Miss Hulfish, a new pupil from Wabash, has registered.

Dr. Giffen. Office, 11th and N Sts.; residence, 1504 S.

Dr. C. E. Spahr, 1215 O Street, eye, ear, nose, and throat
 Guard duty is now one of the stern realities of the cadet's life.

Messrs. Pollard and Sheldon visited their homes on the 29th.

Lieutenant Pershing will teach the preparatory algebra next year.

Mr. Ferguson has left school. He will work on the farm this season.

Call at Francis Brother's' chop house, open day and night, 1324 O street.

Ask Porterfield about that dinner he had in the country, the other day.

Arbor day was observed with all the enthusiasm due to such an occasion.

A. B. Jones was showing his father through the university one day last week.

Professor Barber delivered a lecture at Seward on the evening of the 29th.

Larson has consented to deliver a series of lectures to the boarding club, on free trade.

Miss Eastwood has been called home to Riverton by the serious illness of her brother.

Messrs Tucker and Barr visited Hastings in the interests of the Y. M. C. A., on the 30th.

Mrs Mhnzendorf received a call from Miss Lelia Derr, of Tecumseh, a former music student.

Mr. Martin has been temporarily absent from school on account of the death of his father.

Porterfield spent the greater part of week before last surveying for the Rock Island railroad.

Miss Rose Higgins was compelled to stay out of school week before last, on account of sickness.

Professor Caldwell delivered one of his lectures at the Weeping Water academy on the 29th.

Company A's target practice, which was dated for Saturday, had to be postponed on account of the wind.

Students can learn how to make the entire year's college expenses during vacation, by addressing UNDERWOOD & UNDERWOOD, Ottawa, Kas.

Miss Nellie Scott has been detained at home during last term, and this by the very serious illness of her mother who is now thought to be improving.
