

Despite the serious illness of the tenor, Signor Campanini, and the basso, Mr. Holmes, the May Musical Festival was a grand success, artistically and financially. The management appreciate the university faculty and the students, and only regret that so few of the singers of the university avail themselves of this opportunity for musical culture by joining the chorus. A very cordial and pressing invitation is extended to all singers.

There is much interest shown now in the proposition for the establishment of a dental school at the university. The regents will be petitioned to lay the matter before the next legislature. This is something that would be done at a slight expense, as the school would soon be almost self supporting from the fees paid by its students. This would certainly be a step in the right direction.
