

of the Office-seekers, and greatly were the people rejoiced.

And the King appointed a day of fasting, saying: "Let all the good house-wives labor day and night, from Sabbath to Sabbath, sacrificing the fat fowls and preparing a great feast, so that the day of fasting may be an inward joy to men."

Then the toiling house-wives did as he commanded. They got fat fowls from the land of the Turks, and undressed them and roasted them in the burning furnaces, and they took the fruit of the vine and of the olive tree and prepared it;—  
and made bread, cakes, cookies, pumpkin pies, mince pies, apple pies, quince pies,

puddings, doughnuts, ginger-bread, and angel food; brought forth apple jelly, peach jelly, sweet pickles, sour pickles, raspberry jam, marmalade, persimmon sauce, apple butter, peach preserves; cooked potatoes, beans, beats, onions, turnips, carrots, corn, tomatoes, cabbage and cauliflower; made oyster soup, noodle soup, ox-tail soup, and catsup; cranberry sauce, plum-pudding and Turkey.

"And when the meal was ready,  
They all sat down to sup;  
And they ate, and ate, and ate,  
Till they ate the last scrap up."

Go, all ye good people, and do likewise

## MISCELLANY.

Some one has most fittingly remarked that the most successful University has the most idiotic yell. While this theory may be all right, it is not at all improbable that more hard study has been put on yells that have been miserable fakes, than upon those that have proved very acceptable. The reader is left to judge which of the following imaginative creations most nearly comes up to his idea of an idiotic conglomeration of truly tuneful harmonies.

First of all let us start with what is first, best, and dearest.

U-U-U-n-i, Ver-Ver-Ver-Si-Ti, N-E  
Bras-Ki, O-My!!!!

This sounds quite emphonic when compared with the Illinois University which strikes the auditory nerve as follows:

Hah! Hoo! Rah!  
Zip! Boom! Ah!  
Hip! Zoo; Rah, Zoo;  
Johnny blow your Bazoo,  
Hip, Yiete Ri!  
U. of I!  
Champaign!

The larger and more prominent Universities choose more moderate outbreaks. Northwestern's new yell is:

Wah-hoo, wah-hoo, N. U., N. U. rah! rah!  
Northwestern, while the University of Wisconsin has: U! Rah! Rah! Rah! Wisconsin.

The Iowa Agricultural College, Sophomore yell is:

Rip! Rah! Roar! Still we soar! Gourds,  
Gourds, '94.

But the suggestive yell is that of the North Dakota University, which whoops as follows:

Odx-Dzo-Dzi! Ki-Ri-Ri, Hi y-ah!  
North Dakota! Sioux war cry.

We walked together in the wood,  
We wandered far and wide;  
About the same in class we stood,  
We flunked there, side by side

Man wants but little here below,  
That cannot be denied;  
But woman wants the earth you know,  
Then isn't satisfied.

Le Cercle Francais, Une conference aura lieu ce soir, le 22 Novembre, chez Mlle. Pound, a 8 heures.
