

## COMMITTED MATRIMONY.

Miss Grace M. Barrett, of the class of '88 was married to Mr. Wilber Wade Robertson, a former member of the HESPERIAN staff, August 24. Mr. and Mrs. Robertson reside in Chehalis, Washington, where Mr. Robertson edits the *Chehalis Nugget*. We tender our congratulations.

Thursday, June 8th, Miss Elizabeth Hall was married to Mr. Oscar Frederick Funke. The impressive ceremony took place in the Trinity Cathedral, Omaha, and many friends from both Omaha and Lincoln were present. Mr. Funke was formerly a student of the University where he still has many friends. He was a member of the Phi Delta Theta Fraternity, and was one of the most pleasant, engaging young men in the University. He was an earnest student, and after he left school equally distinguished himself in business life. We congratulate him upon his happiness.

Tuesday, September 12, Miss Minnie De Pue was married to Mr. Geo. L. Meissner. The wedding took place at the residence of Mr. O. W. Webster, the bride's uncle, and was one of the most happy occasions that the eventful summer witnessed. The ceremony was beautifully solemn, and when Miss Hammond began playing the wedding march, some of the happy friends present felt that little shade of melancholy which sometimes clouds for a moment our greatest pleasures. Perhaps they were thinking that it would

never be quite the same again, and that they were losing something, though in a very joyous manner.

Miss De Pue was one of the most popular members of the most popular class that ever graduated from the University. In her student work she was rapid and accurate, and in social circles she was certainly one of the leaders of her class. She was one of the most enterprising members of the Palladian Society and was an able editor on the staff of the *Lasso*. No young lady ever left the University leaving more friends behind than Miss De Pue. She has that enviable art of making warm and constant friends by a smile or a word because there is worth and staunchness in it. After her graduation in '92, Miss De Pue taught in David City where she has many friends who rejoice in her present happiness. There as here, she was characterized by that *vivacite* and *esprit de coeur* which are needed and appreciated everywhere.

Mr. Meissner has been for some time a teller in the American Exchange Bank. He is universally liked and is one of the best known young men in the city. He is already regarded by the business world as one of the talented young financiers of Lincoln. After the congratulations and good-byes were over, Mr. and Mrs. Meissner left for a trip to Chicago and a visit to the groom's parents in Iowa. We wish them both all success and all happiness.
