Thursday evening, October 3, the Y. M. C. A. of this city gave a reception to all Lincoln students in their building on 13th and N. A large number of students were present and everyone reports a good time. Chancellor Canfield addressed the meeting and the music was furnished by the University Quartette.

During the summer, Miss Cora Smith and Miss Louise Lee made an extensive botanical survey of the Platte river. They secured over three hundred varieties of flowering plants and a large number of sedges and grasses which they have not yet classified. Their work is highly commendatory of the Fem. Sem. Bot.

The degree of L. L. D. has recently been conferred upon Chancellor Canfield. He was the orator at the annual Alumni gathering of Williams College, held last Tuesday at Williamstown, Mass. Among other distinguished Americans who received the same honors with Chancellor Canfield, are Henry Cabot Lodge, President Gates, of Amherst, and President Tucker of Dartmouth.

Fremont teachers took a lay off last Wednesday night and embraced the opportunity of visiting the State University and the city schools in Lincoln. There were no less than thirty-five of the force here, including Mr. Dan Miller, the superintendent, and the High School corps. The HESPERIAN was glad to see among the latter Miss Rose E. Collins, who is now teaching latin and literature.

While all the other lines of University work are starting with pleasant prospects, the HESPERIAN is glad to note that the band is by no means in the rear. We learn that there have been some eight or ten valuable additions to the membership, making the total number twenty-six. Surely, with the

excellent training they are receiving, the U. of N. band will equal any college band in the country within a short time.

We are glad to announce that a University Glee Club has been formed, and that the organization means to do something more than organize. They will devote their efforts mainly to college songs, and contemplate making a state tour this winter. The parts are taken as follows: first tenor, R. O. Williams and Ernest Houghton; second tenor, Mr. Ricketts and Mr. Whaley; first basses, Chas. Jones and C. F. Tucker; second basses, E. A. Gerrard and J. Cochran.

Lincoln people enjoyed a treat in the line of athletics last Tuesday, although the game the Bostons and All Americans put up at Lincoln Park was somewhat of a farce, still it is something to see the men that are stars in their profession. The score by innings was as follows:—

Bostons	2	0	0	0	0	1	0	0	0	—3
All-Americans	1	0	1	0	1	1	0	2	*	—6

Batteries, Stivetts and Ganzell; Carsey and Kittridge. Time of game, one hour fifty-five minutes.
