

not have volume enough. But during the rest between halves some artistic marching was done lock-step and the song "Iowa, Iowa, we've been thinking" made a great sensation.

It was a day never to be forgotten by those who saw the game. Next year we'll do it over, and go down five hundred strong. The clean playing of the team and the gentlemanly conduct of the boys who went with them won many friends from even our Omaha rivals

THE TENNIS TOURNAMENT.

CONSIDERABLE interest has been taken in the Tennis tournament, recently held. The young men, with their jaunty caps, have taken their snow-shoes and whacked the ball back and forth with never ceasing animation, ever and anon calling out, "Love"—of course not to the blooming co-ed looking on. The coy co-ed has worn her sweetest smile and added zest to the young gladiators. And the war is done.

Of the four registered in Class A, Professor Ward wears myrtle wreaths in profusion; Mr. Colvin is recorded victor in class B; four being in the race; of six in class C, Mr. Mapes is the lucky one; and of five in class D, Mr. Aazen has a grin extending from Capricorn to Halifax.

Each of these contests was vigorously carried out and now that the respective winners have been announced the champions will batter the hot balls at each other, each upper class allowing half fifteen to its next lower competitor.

THEY DID IT.

THE foot ball team met, in accordance with the provisions of the constitution of the athletic association, for the purpose of electing captain. The meeting was scheduled for room 26, but was suddenly changed to the gun room of the gymnasium, reasons unknown. Hemming and Flippin were the candidates and the race was a close, but for a fractured promise or two Hemming

would now be captain. The vote stood as follows:

Hemming: Yont, Fair, Whipple, Oury, Bradt, Wiggins.

Flippin: Dern, Wilson, Sweeny, Frank, Jones, Thorpe, Duncan, Shue.
