We are the Champions.

WESLEYAN DEFEATED. NOT A WALK-A-WAY.

The game advertised to decide the championship of Nebraska has been played and we hold the belt. It was a game of extremes. There were a great many star plays on both sides and some poor playing. In the latter, it must be admitted that our team easily held the palm, for to say that they played rocky most of the time but mildly expresses it. After a brilliant beginning in which we scored twelve in almost as many minutes, the team almost went to pieces and didn't get together again until the latter part of the second half. Our opponents played as good ball as we expected, in fact considerably better than most of the crowd anticipated. They have a very strong team for a small school. However, every one of their points, with the exception of the difficult goal kick by Elginfritz, was due to poor playing on our part and not to any brilliant moves by them.

Vandoozer won the toss and chose the west goal and shortly after three o'clock the men spread out as follows:

NEBRASKA	POSITION	WESLEYAN
Melford	left end	LEONARD
Dungan	left tackle	Dunn
Hansen	left guard	Hoffman
Kellar	center	Stoner
Turner	right guard	Gilbert, Lyle
Pearse	right tackle	Thomas
Wiggins	right end	Elgenfritz
Shedd	right half	Van Doozer, Capt
Packard	left half	Carver
Thorp, Capt.	quarter	Olson, Fitchie
Cook	full-back	H. Fitchie

Officials:—Lee, Doane College, umpire; Fisher, Doane College, referee; Noble, Wesleyan, and Cameron, U. of N., linesmen.

Thorp kicked off forty yards and Van Doozer sent it back thirty. Nebraska then starts down the field with twelve, four, six, seven and so on till almost over the line but gives up there and lets Wesleyan try it a while. They buck for a small gain and then punt. In the shuffle a Wesleyan man gets the ball but they soon punt again for twenty-five yards and Thorp takes the ball. Wiggins goes around the end for a fine run of thirty yards and then Packard does the same and puts it behind the posts. Shedd kicks an easy goal and we have six.

The kick off is thirty yards and Thorp carries it back eight. The line is bucked a couple of times and fifteen yards made. Then Hansen does his great act and Achilles coming through the line with the pigskin wouldn't have made a greater hit. He makes twenty-five yards and then stops for some unknown reason. We buck the line for some good gains and then fumble. Wesleyan takes the ball, but soon does the same and Nebraska goes at the buck again and makes sixteen yards altogether and then hands over the ball on downs. Wesleyan is cautious and punts thirty yards. We try the buck and then a couple of punts are exchanged. The ball is rushed up to the line and Shedd carries it over and also kicks goal. We now have twelve to nothing.

Now Wesleyan pulls herself together and makes some points. The ball goes over the goal line on the kick off and is brought to the twenty-five yard line. We make some yards, and then stop making gains. The punt is tried but Wes-
