

about Mr. Lee. You know it isn't in keeping with the dignity of a full grown college paper to say nasty things about such a gentleman as we know Mr. Lee to be. You shouldn't do it, even if your team did score through our *porky* playing. But wipe away those bitter tears; and you'll learn better bye and bye.

Wesleyan had plenty of *raw* material, decidedly *raw*; but if they hire Frank Crawford again next year, he may turn out a manufactured article that can play foot-ball instead of playing "*baby*." We showed *raw* material too; but the Theologists out-vied us in that line by a ratio of 18 to 8.

Our boys go into the Kansas game as we have gone into many others—handicapped by several slightly injured men who will play gritty foot-ball. The boys are going down to Kansas to *play the game*; but it will be a hot fight for them.

Burts, a law school man, has been playing at left half this week; and he bucks well. He is just a little slow on tackling.

Thursday, Nov. 5, the Butte team passed through. They were expecting a game with us; but for some reason, we don't seem to be able to play them. Not that we don't want the game; but we are doing a rushing business and it is hard to find a day for them. They are stalwart looking fellows; and Budd Jones plays right tackle. Budd is one of their most etherial men, but he plays the same old game. It seemed good to have him give one of those angelic smiles of his and crush our hand in his dainty white one.

The Junior-Senior foot-ball game will probably be played next Wednesday p. m. The lineup has not yet been fully decided but will probably be something as follows:

JUNIORS	POSITION	SENIORS
Bliss	left end	Pillsbury
Moore	left tackle	Rickets
Ferot	left guard	Ammerson
Stelson	center	Rheagan
Cushman	right guard	Jargeson
Mueller	right tackle	Doubrave
Corey	right end	Shreve
Morrison	quarter	Hedge
McKay, Capt	right half	McMichael
Reedy	left half	Kuhlman
Kindler	full back	Saxon

### Laboratory Echoes.

The meeting of the Nebraska section of the American Chemical society last Friday evening was well attended. Interesting papers were read by Rosa Bouton and T. L. Lyon.

Word was received at the University Saturday Mr. Samuel Avery of the Chemical department had passed the examination at Heidelberg, Germany for the degree of doctor of Philosophy—*multo cum laude*

The following was cabled to the new doctor Saturday evening.

Lincoln, Oct. 31, '96.

Congratulations.

Signed,

G. H. MacLean	T. L. Lyon
H. H. Nicholson	Benton Dales
Mary Fossler	Rosa Bouton
Martin Hiltner	John White
R. W. Thatcher	R. S. Hiltner
G. W. Heinrod	Ada Quaintance
E. C. Elliot	H. C. Parmalee

Watch for the red light on the Uni. next Saturday night.

You can't get better \$2.00 board in the city than at Boomer's club. 524 N 12th street.

Over the rostrum in Bohannon's hall last Tuesday night hung a banner inscribed *Bryan Silver Veterans, enlisted for life*. Among those under this banner were Otto Wm. Mair and brother, Mr. Burleigh, Mr. Pierson and others prominent in Bryan's campaign.
