Comfort to California.

Every Thursday morning, a tourist sleeping car for Salt Lake City, San Francisco and Los Angeles leaves Omaha and Lincoln via the Burlington Route.

It is carpeted; upholstered in rattan; has spring seats and backs and is provided with curtains, bedding, towels, soap, etc. An experienced excursion conductor and a uniformed Pullman porter accompany it through to the Pacific coast.

While neither as expensively finished nor as fine to look at as a palace sleeper, it is just as good to ride in. Second-class tickets are honored and the price of a berth, wide enough and big enough for two, is only \$5.

For a folder giving full particulars, call at the B. & M. depot or city office, corner of 10th & O streets.
