Prices have been scaled down as a result of the Washburn's enormous popularity so that now you can buy a genuine Washburn of the very latest design

From \$15.00 Upward.

The new Washburn Mandolin is a radical departure from former styles. It is the neatest, daintiest and lightest Mandolin imaginable, and its tone approaches very near to that of a fine old Cremona Violin. Washburns are sold at fixed and uniform prices by all first-class music dealers everywhere.

Washburns are the acknowledged standard of the world. They are used exclusively by the leading Artists, Teachers and Glee Clubs. Our new Washburn catalogue containing portraits of over 100 Artists and full information, prices, endorsements, etc., will be sent free on receipt of application. If your local dealer cannot supply you we will send Washburns C. O. D. with privilege of examination, direct from the factory.

A Washburn improves with age and makes a Gift that increases in value as the years go by. It is really worth many times its cost.
