ger Oury, if you please.—It is expected that Captain Shedd is in the right place.—Wiggins is in the old place at Right end.—Coach Oury is expected back some time next week. There is still some hopes that Peerless Thorpe will be in the game.—Turner last week he wouldn't be in the game. Next week he said he didn't know. Next week he has agreed to don a uniform and to give the boys a t'ing or two about the game. Hansen will be a stronger man on the team this year than he was last. He is gingering up and rapidly losing his slowness and awkwardness. Hansen is sure to be one of the great football players of the west this year—Benedict, Shedd and Pearse will hold down their old positions. These three with Wiggins, Turner and Hansen make six old men back on the team. Besides Orlic Thorpe or Harry Jones may show up later.—Cowgill, last year a substitute, is showing up well. He will be a strong candidate for Quarter.—Stringer is almost certain to get a place on the team. He is quick, well built and heavy. Last year he played on the Beatrice high school team—Swartz and Hart are doing work. Swartz is a trifle light—"Yes," said Manager Oury to a HESPERIAN representative, "Coach Robinson will be back. We expect him back next week. 'This,' added the hot manager, "means much to the '97 foot ball team. Coach Robinson was here last year and he knows the team and its needs better than any one else."
