

College Settlement Report.

A mass meeting of the students was held in the chapel Tuesday morning, in the interest of college settlement work. Joseph Boomer was elected chairman of the meeting.

Mr. Boomer presented Miss Whiting, who read a very interesting paper on the purpose history and progress of settlement work, especially in our own city. She explained the motto given by Prof. Hodgman, "For humanity and our students" as very fitting of their aims. She showed how the workers in the University had struggled from a very small beginning; what they are now doing; and what they propose to do.

Prof. Fossler, the treasurer, was introduced to make his report. In connection with his report he made an earnest plea to the students that they put their shoulders to the wheel and help promote this work. He gave an itemized report, showing exactly how, and from what source the money came. Total amount received, \$144.87; total expenditures, \$140.84; balance cash on hand \$4.03. The Prof. stated that the association needs at least \$170.00 to carry on the work properly. Profs. Sweezy, Hodgman and Fosler were the members of the faculty elected for members of the board of control. There were also four members elected from the student body. They were Misses Whiting and Dinsmore, Messrs Hawxby and Kuhlman.
