

Athletics.

The football boys went over into Iowa last Friday for a game with Ames. The score was 10 to 6 in favor of Ames but it was a fine game—one that our boys have no occasion to be ashamed of. Ames made one touch-down in each half and she earned them both. It was no snap. Ames has a heavy team. Her center and two guards weigh six hundred and sixty pounds. All three of them are big fellows like Hansen and Turner. They have been training since July while our boys have practically only commenced. Nebraska was somewhat weak in team work. The men have not worked together long enough to have that clock-work precision which always wins. Interest in football is manifestly increasing. Crowds of students gather to watch the practice; the number of warriors who don the armor and sally forth to "buck against" the first eleven is constantly increasing.

Within the last week, the grounds have been worked over into pretty good shape for the coming games. Up to the present time the games scheduled for the team at Lincoln are as follows: Tarkio College, Oct. 16; Wesleyan, Oct. 23; Missouri, Oct. 30; Wesleyan, undetermined; Ames, Nov. 6, (conditional); Kansas, Nov. 13. The Thanksgiving game with Iowa will be played at Omaha as usual.

Dr. Hastings has made arrangements by which men may receive credit for athletic work. There will be a class in track work throughout the year. It will be held out of doors when the weather is suitable.

About twenty men have taken hold of the track team work. The Fresh.-Soph. contest will come off in about ten days. Doane's challenge is still in the hands of a committee. It will probably be accepted.

The members of the freshman class met last Friday and organized and elected officers for the first semester. The following officers were elected: President, A. C. Lee; vice president, Mr. Grimm; treasurer, Lewis Goodwill; secretary, Mr. McLaw. Committees on Athletics, by-laws and constitution were appointed.

Westerfield has not moved. He is still at 117 N 13th St. and is giving the latest style in hair cuts.

The Co-op is selling stationary at a very low figure.
