Herpolsheimer & Co

We beg to call the attention of the lady students to the immense assortments of ready-to-wear garments we are showing this season. The cloak and suit department should be of special interest to the fair sex for, this season above all others, we are showing greater varieties of styles and grades than we have ever shown before.

The shoe department is also a most interesting department for here are shown the most correct styles in fall and winter footwear, including the latest novelties of the season as well as immense assortments of staple styles. In fact every department in the house greets you with a display and assortment of new and desirable merchandise quoted at prices that are brought within the reach of all.
