

Chapman-Triplett Wedding.

On Thursday afternoon, at the residence of the bride's parents on G street, Mr. A. G. Chapman '94 and Miss Maud Triplett, formerly of the class of '97 were united in the holy bonds of wedlock. Rev. Newell of the Vine street Congregational church officiated, the ceremony being the impressive New Church ring ceremony, after which the newly wedded couple received hearty congratulations and best wishes of their many warm friends. Daintily prepared refreshments were then served. A short musical program appropriately closed the afternoons ceremonials. The HESPERIAN joins their host of friends in the University and in the city in wishing the estimable couple a long life of wedded blissfulness. They will reside at 1222 G street.

Two Games Tomorrow.

Two football games will be played on the University campus tomorrow afternoon. The first game will be that of the Lincoln High School vs the Uni. second team. The second, and the big event of the day will be the game of Tarkio vs the University. This promises to be one of the best games which will be played here this year. Tarkio claims to have as strong a team this year as she did last year. Last year she defeated Wesleyan 10 to 0; so our boys will have to play football or go down in defeat. But they are *not* going down in defeat. They have done a week's hard practice since the Ames game and will probably "show" the Missourians. The line up will probably be as follows: Hisey, c; Turner, r g; Pearse, l t; Hayward, r t; Wiggins, r e; Benedict, l e; Shedd, r h; Williams, l h; Montgomery, Cowgill, l g; Stringer, Halstead and Tukey substitutes.

A petition, which is addressed to the Czar of Russia, is being signed by students and members of the faculty. The petition asks that students, who were exiled simply for the expression of political opinions, be pardoned and allowed to return to their father-land. As the present Czar has shown some signs of not being inhuman the petition may do something towards accomplishing its purpose. At any rate the petition can do no harm. Sign it!
