

ble expense. The inclemency of the weather on Thanksgiving day last year left a large deficit. Our team must be equipped this year to compete with the strong Universities of Iowa, Kansas and Missouri. Our coach must be paid and other expenses met. If the alumni would contribute even a small amount each a sufficient amount would easily be raised. It is the purpose of the association to give every alumnus an opportunity to lend a helping hand to his Alma Mater either by a large or small contribution. Won't you help us out and put athletics on a firm foundation in the University? Your remittance can be sent to Dr. Hastings, Physical Director, to Dr. Ward or to W. H. Oury, manager of the team, University of Nebraska.
