

## KANSAS VS. NEBRASKA.

## Championship of the West to be Decided Tomorrow

The football game of the season will be played on the campus tomorrow. Since Missouri proved such easy game and Kansas ran up a high score against Iowa, the lovers of football have looked forward to the struggle of Kansas and Nebraska, on the gridiron, as the "Ne Plus Ultra" of speedy playing in the west this year.

The style of playing is apt to be quite different in the two teams. Woodruff prefers the style of Pennsylvania while Robison does not restrict himself and has inculcated the best special plays from all eastern teams.

Kansas certainly has a good team. Coach Woodruff places it first in the west, but Nebraska will go him one better.

They began training early therefore their record shows up better than Nebraska.

Their overconfidence is a result of having beaten in four out of five of the last games played with us.

Our team has been through the most vigorous training in the last two weeks. In addition to the work of the field the boys have been practising signals in the armory every night this week. It is evident that they can put up a much stronger and speedier game than was possible two weeks ago.

They also have the advantage of playing on the home field.

Organized rooting will be one of the leading features of event. Parties have already arranged for certain positions in the bleachers.

The following is the line up:

Kansas.		Nebraska.
Gaines	Right End	Wiggins
Avery	Right Tackle	Hayward
Foster	Right Guard	Turner
Walker	Center	Oury
Moore	Left Guard	Hansen
Blockberger	Left Tackle	Pearse
Voights	Left End	Stringer
Kennedy	Quarter Back	Cowgill
Poorman	Right Half	Benedict
Hess	Left Half	Schwartz
Speaks	Full Back	Shedd
