

**College of Law Notes.**

Dean Reese gave the Seniors a special lecture this week on the "Examination of Witnesses."

The class of '98 elected the following officers last week: Hon. J. H. Grosvenor, president; N. D. Burch, vice president and L. M. Troup secretary-treasurer.

The Junior class is reading from seven to ten cases a day in contracts. The seniors declare that this is nothing as compared with what is required the latter part of the year.

At the Maxwell club meeting Saturday evening Messrs. Bobbit and Burch urged that there should be a board for the compulsory arbitration of labor difficulties. Messrs. Van Decar and Moore urged the contrary.

The Maxwell club elected the following officers Saturday evening: H. C. Dean, president; Mr. Moore, vice president; J. H. Kemp secretary; F. L. Gibson critic, and the retiring president, J. L. Wallace, sergt-at-arms.

Dr. J. L. Green completed his course of lectures on "Medical Jurisprudence" this week. Dean Reese will begin his lectures on the "Law of Medical Jurisprudence" next week.

**Basket Ball Games.**

Two of the six championship basket ball games were played this week. The reds of the 11 o'clock class won the game Monday evening over Sayer's team by a score of 12 to 11, but were defeated in the game Wednesday evening, with Hill's team, by a score of 19 to 13.

The following are the members of the different teams—Placek's: Hopewell, Riley, Yoder, Belden and Nienhuis. Sayer's: Hanlon, Nielson, Aden, Heffner. Hill's: W. E. and R. D. Andreson, Moore and Story.

**NOTES.**

As Placek has left school Yoder has been elected captain of the 11 o'clock team.

In the game Monday evening, Sayer, Hanlon and Nielson did the best playing for the 8 o'clocks; Placek and Yoder for the 11 o'clocks.

There will be two championship games next week. One between the 11 and 8 o'clock and one between the 8 and 5 o'clock divisions.

In the game Wednesday evening every

member of the five o'clock team played an excellent game; Yoder, Riley and Belden did the best work for the 11 o'clock team.

According to the new plan the first and second teams of the different classes must contest each week to determine class championship. It is not at all probable that the same teams will represent the different classes next week—not if it is possible to judge by the confidence of the captains of the defeated teams.
