THE BEST FOR PRACTICAL USE.

It is easy to find the word wanted.
It is easy to ascertain the pronunciation.
It is easy to trace the growth of a word.
It is easy to learn what a word means.

William R. Harper, Ph.D., D.D., President University of Chicago, says:—A copy of Webster's International Dictionary always lies on my table and I find myself constantly referring to it. My satisfaction in using it constantly increases. It is thoroughly reliable and full of just the information one wishes to secure.—April 7, 1896.
