**To your friends**

who are coming west to visit you just add a postscript like this: "Be sure to take the Burlington Route. It's much the best."

You are quite safe in doing this because our service from Chicago, via St. Louis and Kansas City, in fact all eastern, southeastern and southern cities is just as good as our service to those points. And that as everyone who is acquainted with it will testify, is the best there is.

Tickets and time tables on application at B. & M. depot or city office corner 10th and O streets.
