DRESS GOODS--SILKS--MILLINERY

Our claim to display the largest assortments of NEW, this season's, Dress Goods is being verified by the ever increasing volume of business in the Dress Goods department. Knowing ones far and wide are convinced that our this season's stock is the finest ever brought to Nebraska, and fully realize the fact that the people of the West have an opportunity equal to that of their Eastern sisters to procure Fashion's Favorite Fabrics and Fancies without leaving their own state.

The present Millinery season is signalized by the richness and real beauty of its creations. Not for many years has such elaborately beautiful and richly simple headwear for women been produced. The leading Paris modistes are represented in our display of over 550 different Pattern Hats.

..MILLINERY..

In an inspection of our assortments you will meet with many exclusive, confined styles in Dress Patterns, no two alike and shown no where else.

TO SAY
