

THE HESPERIAN

Several days ago Dr. Bessey received a notice from the secretary of the International Society of Plant Geography of France, that he had been awarded a medal for some botanical work that he has done. The medal, which is bronze, has arrived, and Dr. Bessey is very much gratified to be the possessor of it.

The Juniors met last Friday in University Hall. They decided to give the Annual and Promenade and selected a class yell:

Double O,
Let her go. Let her go.
Century. Century. Century.

Mr. Korsmeyer was appointed chairman of the Promenade committee which consists of twelve members.

Society Programs

How about that program? It costs no more to have it printed neatly and attractively than to have a poorly gotten up affair that every member is ashamed to place in a visitor's hand. Your society will be judged quite largely by the style of its printed stationery. I can make it right.
