

BIXBY'S RETREAT.

A lie is a clock that is wound but once; having run down, its mainspring crumbles.

The difference between the originator and the publisher of a fake is the difference between the monkey and the cat in the ancient fable. The monkey gets the chestnut and the cat gets the coals. However, there is little choice when the chestnut is rotten.

PRAYER TO THE ORIENT.

Thou alien sky with withering face
Oh, veil your glistening frown,
And o'er Nebraska's exiled sons
Look, thou, in kindness down.

Ye westling winds that nightly stray
Along the rocking tide,
Rest soundly by yon distant bay
Each anxious mother's pride.

Ye waves that droop your crests of white
By orient coral strands,
Give quiet sleep to those that glide
Into your sexton hands.

Oh tropic isles forsake your wiles
And guard our Jonas Lien,
Protect, we pray, by night and day,
Our Kellogg's "song machine."

Oh, transport vast, with snorting blast,
From lungs that never tire,
Lash seas to foam and cut for home
With Otto William Meier.

Dear Father, once you said, my son,
To manhood you have grown;
Make others trust you, trust yourself,
And learn to stand alone.
Now, father, soon I graduate,
And those who long have shown
How well they trust me, want their pay,
And I can stand a loan.—Ex.
