

SPRING SUITINGS AND SILKS

—Fabrics for Tailor-Made Gowns have received special attention here this season and as a result our present showing of Tailor Suitings is far superior to any we have ever carried. Then the season's novelties in never ending variations of weaves, colorings and designs as well as all known makes and colors in staple fabrics, are arrayed here in greater quantities than ever.

Silks-- Speaking of Silks is a pleasure to us, for we can say nothing within reason that our assortments will not verify. Every new pattern, every new color and every new weave known to the trade may be found here.

We cordially invite you to inspect these assortments now whether you wish to buy or not. It will cost you nothing to do so and by doing so you may form a very accurate idea of the styles, colors and fabrics that will be worn this spring.
