

SPRING MERCHANDISE...

Is rapidly filling up the gaps made in the winter goods by the clearing sales of the past few weeks. Every department is assuming an appearance of spring, and every counter reminds one of the approaching season. The Spring Dress Goods are nearly all here, and judging from the quantity already sold the present season will surpass, in volume of business, any previous one in our history. The wash goods are arriving daily, so too are the ready to wear goods. In fact our receiving rooms are piled high with cases of spring newness and daintiness awaiting their turn to fall into line and form the finest array of new, fresh, up-to-date and worthy merchandise ever brought to Lincoln.
