**Highland Park College of Pharmacy**

Has a large and enthusiastic faculty of experienced pharmacists; has thorough and practical courses of study; has Ph. G., Ph. C., Pharm. M. and Pharm. D. courses of study; has unexcelled equipment for high grade pharmaceutical and chemical work; has large, light, new modern laboratories in buildings arranged expressly for educational work; has every advantage afforded by a large and grow-

ing capital city; has work so arranged that students may enter at any time for special work or for a continuous course from matriculation to graduation; has the endorsement of the Iowa State Board of Pharmacy; has secured for its graduates registration without examination; has the confidence and support of the pharmacists and physicians of the Central Western States; has reduced expenses until they are less than at any other first-class Pharmacy School in the United States.

**SPECIAL ADVANTAGES.**

Students may enter at any time in the year and secure just such work in Pharmacy or Chemistry as they desire. Students who do not wish to take the complete Pharmacy course will find at Highland Park College unusual advantages in preparing for the State Board examinations. Full-course Pharmacy students are privileged to enter any classes in the Literary courses of Highland Park College without extra charge. A year spent at Highland Park College of Pharmacy will be accredited as the equivalent of a year's course of lectures in any Medical College of the Association of Amer-

ican Medical Colleges. The completion of the Junior or Senior Topics of the Ph. G. course, or a like amount of work, will be accepted by the Iowa State Board of Pharmacy as the equivalent of one year's store experience. The completion of the Ph. G. course (forty-eight weeks in length) entitles the student to a certificate of registration without examination. Expenses at Highland Park College of Pharmacy are lower than at any other high-grade school of Pharmacy in the United States.

**A SPECIAL PHARMACY CATALOGUE** containing detailed information relative to the faculty, equipment, courses of study, expenses, advantages and accommodations, will be mailed FREE to any one. The complete Catalogue of Highland Park College may be secured free by addressing the President.
