THAT HEADACHE

that annoys you so much doesn't always come from a disordered stomach, or state of your nerves, but from defective eyesight. Don't neglect the warning that Nature gives you and be sorry to late. We will test your eyes free, and fit them with fine French crystal or Brazillian pebble eyeglass or spectacles, at a reasonable price.

Society Programs

How about that program? It costs no more to have it printed neatly and attractively than to have a poorly gotten up affair that every member is ashamed to place in a visitor's hand. Your society will be judged quite largely by the style of its printed stationery. I can make it right.
