A HANDFUL OF GLASSES will not help your eyesight if you wear them all, unless your eyes have been properly tested and fitted to your peculiar ailment. That is just where our skill as opticians comes to your aid. If we test your eyes and suit them with proper glasses, you will get pleasure and satisfaction from the result.

Society Programs . . . .

How about that program? It costs no more to have it printed neatly and attractively than to have a poorly gotten up affair that every member is ashamed to place in a visitor's hand. Your society will be judged quite largely by the style of its printed stationery. I can make it right.
