

THE HESPERIAN

Resolutions Passed by Committee from the University Faculty.

The Faculty and students of the University of Nebraska deeply mourn the loss they have sustained in the death of their late Commandant, Colonel John M. Stotsenburg, not only as a teacher, but as a citizen and friend. In his relations with the instructors and the student body, he impressed all who knew him with a realization of his high ideals, his sterling integrity, and great earnestness of purpose. As the Commandant of the University Cadets, he approved himself a thorough instructor and organizer, and gave the men he trained not only theories, but especially the practical knowledge so necessary to every soldier. As the head of the First Nebraska Regiment, he not only brought the volunteers under his command to that efficiency which has abounded to their honor, and to the honor of their State and Country, but has also, after many evidences of devotion to his duties, given his life in leading, with great personal bravery, those under his command to victory. The undersigned, as representatives of the University, desire to give hereby some public expression to the universal grief, and pay tribute to the character and patriotism of the men they honor, and extend the sympathy of the entire University to all those whose loss is greater than their own.

MISSOURI WINS.

University Team Beaten in Wednesday's Game After a Hard Struggle.

A most interesting and exciting contest was the game between the Nebraska and Missouri Universities played on the campus last Wednesday afternoon. The game was not called until nearly four when all classes were dismissed, giving the professors and students an opportunity to attend and not a few were present. Genuine college spirit prevailed. Owing to a light rain in the morning the ground was a little heavy but it became firm as the game progressed. Both teams have been training hard for several weeks and were in excellent condition considering the time of the season. Few errors were made. Throughout the entire game good fielding was exhibited by both sides, especially the Nebraskans, who made three fine doubles and did not loose a single fly ball. The Missourians also did some good fielding but were particularly strong in their batting and pitching. Their pitcher, Curtright, is a strong man in the box. Melford did the pitching for our team and was caught by Lehmer. Both were playing their first game for the season and showed up well. Reeder played 2nd base exchanging his regular position of short stop with McDiarmid. As in the two former games played this season, our boys lost heavily in the first few innings but in the last half they rallied considerably and made it more interesting for the visitors. In the first inning the visitors were given their inns and the Nebraskans took the field. Bartee was the first man up to bat. He was

given a base on balls and immediately brought home by a safe hit from Wilcox; Dewey followed with a single and was brought home by Hawkins. Our boys then made a fine double play and Garvin went out in a high fly caught by Lemar. The visitors scored three times in this inning. In the second half Reeder came up first for the Nebraskans and went out on a hot grounder to pitcher. McDiarmid followed with an easy two bagger and was brought home on a safe hit from Kingsbury. Gordon punted putting Kingsbury out on second and Bolin, the last man up, dropped a fly in center field which was caught. In the first of the second inning Curtright got out on a foul ball and Bartee and Wilcox went out by short flies to the infield. No scores were made. The second half followed with no change in the score. Cuscadden reached 1st on a tip up to short stop who muffed it and was sent to 3rd by a safe from Lehmer. Rhodes followed striking out, as also did Melford. Reeder then dropped a fly in left field which was caught. In the third Hawkins, of the visitors, made a good hit to left field which was misjudged by Cuscadden. Garvin and Atchinson struck out, while the score remained unchanged. The fourth inning witnessed another double play by our boys and some good batting by Rhodes and Bolin, but no scores. In the fifth Bolin did some splendid work in right field. McDiarmid allowed a man to reach 1st by a bad error but no one made the circuit. In the first of the sixth the visitors made three safe hits, one a two-bagger and scored twice. Gordon of the home team lost by a fly to center field. Bolin scored a three-base hit and was brought home by a single. The seventh was uneventful but in the eighth the Nebraskans got another score after considerable hard work and some good batting. In the last half of the ninth no little excitement prevailed when our boys began to fill the bases and it looked as if victory was yet possible. Melford came to bat and went out on a ground ball to infield. Reeder got to first on a bad throw and McDiarmid followed with a fine double. Kingsbury then dropped a fly in centerfield and Reeder stole home, Gordon brought McDiarmid home by a safe hit. The visitors now began to look a little uneasy while the crowd cheered wildly but Bolin lost by a bad hit to infield and all was over. The score stood 8 to 5 in favor of the visiting team. The teams batted in the following order:

Nebraska.	Positions.	Missouri.
Reeder	2b	Hawkins
McDiarmid	ss	Wilcox
Kingsbury	cf	Foltz
Gordon	3b	Dewey
Bolin	rf	Bartee
Cuscadden	lf	Atchinson
Lehmer	c	Garvin
Rhodes	1b	Cooper
Melford	p	Curtright

About \$20 is needed to put the athletic track in good order for the spring work. The candidates for the track team have subscribed half this amount, and the manager has asked the athletic board to provide the remainder.
