NEBRASKA LOSES TO AMES.

Game Friday Finds Home Team in a Weak Condition—Nebraska Fails to Score.

The foot ball game with the Agricultural college of Iowa at Ames last Friday resulted in a victory for the Hawkeyes by the one-sided score of 33 to 0. The score is a good criterion to the condition of the respective teams. Ames has been in training for more than two months and at this time is in the height of her season, while the Nebraska boys have scarcely started upon their season's work.

Reports of the game are unanimous in the fact that it is entirely too early in the season for the Nebraska team to think of playing Ames. This has been clearly seen in former years.

The Omaha Bee contained the following of the game under the dear of a special telegram. The account shows slightly in favor of Ames, but is a reasonably fair statement:

AMES, Ia., Oct. 6.—(Special Telegram.)—The foot ball game played here today between the Nebraska university and the Iowa state college resulted in a score of 34 to 0 in favor of Ames college, with halves of twenty minutes. Nebraska kicked off to Ames' twenty-yard line and in exactly one minute and a half the Ames team made a touchdown. The goal was easily kicked, and in five minutes after Nebraska had kicked off the second time Ames had made another touchdown and goal. The Ames team seemed to have no trouble at all to make gains from ten to fifty yards. Nebraska's center was very weak on passing the ball, causing such an exhibition of fumbling at quarter as is rarely seen in teams of Nebraska's class. Nebraska's biggest gain during the whole game was only fifteen yards, and then the ball was lost on a fumble. The Ames team was strong on defensive and Nebraska was forced to punt often in order to make any gains. At the end of the first half the score stood 29 to 0 in favor of Ames. The westerners rallied a little in the second half and held the agriculturists down to one touchdown. The line-up was as follows:

Dra'n	L. E.	Smith
Brew	L. T.	Tarr
Koehler	L. G.	Chambers
Tyson	C.	Owen
Ringer	R. G.	Byl
Pearse	R. T.	Eckles
Cortelyou	R. E.	Griffith
Crandall	Q. B.	Walker
Williams	L. H.	Leclerc
Benedict	R. H.	Roberts
Gordon	F. B.	Gordon

No blame can be attached to coach or management for this defeat. The men played well in the second half and showed the material out of which they were made. It is evident that development, and a great deal of it, will be necessary, but the defeat will do no more than to stir the men on the doubled efforts. Two years ago Nebraska was shut out in the same way at Ames and after the return home was not scored against during the remainder of the season, although Kansas, Missouri and Iowa were all met.

United effort on the part of the students and hearty support of the team, coach and manager will bring about such a change before the game with the Kansas City medics Saturday that a possibility of winning becomes almost a certainty.

SOPHOMORE-FRESHMEN CONTEST.

The annual freshman-sophomore field meet, held on the campus last Saturday, resulted in a victory for the freshmen. The weather was good, but the poor condition of the grounds prevented any record breaking.

For the freshmen Mouck and Johnson were in good form and won most of their events. Mantz for the sophomores maintained his reputation as a long distance runner by winning four firsts in his class. McComb, who won the short distance events in '98, did some good work, although not in condition.

The following is a summary of the events:

100 yard dash—McComb, sophomore, won in 11 2-5 seconds.

Pole vault—Kellogg, sophomore, won, 8.9 feet.

Half mile—Mantz, sophomore, won, 3:35.

Twelve pound hammer throw—Johnson, freshman, won, 90 feet.

220 yard dash—Mantz, sophomore, won, 27 seconds.

Running high jump—DePutron, May and Mauck, all freshmen, tied at five feet.

1/2 mile run—Mantz won in 7:59 1-5.

Shot-put—Won by Johnson, 34 1-5 feet.

Running broad jump—McComb won, 17.3 feet.

Discus throw—Dasenbrock, sophomore, won, 76 feet.

440 yard run—Won by Mantz in 64 4-5.

Base ball throw—Mauck won, 295 1/2 feet.

Foot ball kick (place kick)—Mauck won, 13 1/2 feet.

The freshmen lost the relay race. Mauck, exhausted from previous work, fell before he reached the tape. The final score stood 64 to 57 points in favor of the freshmen. A first place counted five points, a second three and a third one point.

The senior-junior relay race was won by the seniors, R. D. and W. E. Anderson running against each other in the last lap.

LARGE INCREASE.

The registration figures given out by Secretary Wade of the University of Michigan on Saturday night show an increased attendance in every department over that of last year. Not only is that the case, but the number now enrolled in every department exceeds the total enrollment for last year.

In the following table are given the figures at the closing of the secretary's office on Saturday and of the corresponding day last year:

To be first lieutenant and adjutant, N. W. Liebmann, first lieutenant and quartermaster; sergeant major, R. R. Rainey; color sergeant, M. M. Howell.

The following promotions for the band were announced Wednesday evening, October 4: Drum major, Corporal W. P. Fitzgerald; chief musician, Earl A. Wehn; principal musician, Sergeant E. M. Heffner; first sergeant, E. M. Dunaway; second sergeant, Corporal H. P. Peterson; third sergeant, R. A. Hamil; fourth sergeant, C. B. Sturdevant; corporals, A. J. Archibald, A. O. Elliott, F. Hawksworth, H. B. Campbell.

The appointment of corporals is temporarily postponed, pending their selection according to the ability shown by the squad instructors. The promotions for the band will be announced on Wednesday, October 4. The different companies will soon be brought into well drilled organizations.

Last Monday evening the cadets were ordered to provide themselves with the prescribed uniform. By the time these are finished the men will be ready to go into their respective companies.

The companies will be quite large this year, about ninety in each, as over three hundred and fifty have already registered.

BOARD TAKES ACTION.

At a meeting of the athletic board last week it was decided to notify Kansas that no return game would be played with them at Lawrence, in spite of their insistence that this be done. Sat-

urday morning General Manager Adams of Kansas arrived in this city to discuss the matter with the board. A meeting was called and Mr. Adams was given a hearing the same morning.

Mr. Adams stated the grounds that the Kansas board took for the action and asked that the board here to decide to play a game at Lawrence November 4. This would have been in direct opposition with the arrangements made at the board meeting in this city last April, and coming as the date does, just two weeks before the regular league game in this city, it would materially decrease the attendance at the game here and would otherwise injure the situation. For this reason the Nebraska board stood firm in their decision. Mr. Adams was given a statement to the Kansas board that outlined the position of Nebraska and stated the reason why a game would be out of the question.

At the time of the league meeting Nebraska cancelled the Thanksgiving game with Iowa at the request of Kansas, and this second request looked to the board too much like a case of bulldozing, consequently the decision.

Since the trouble with Kansas has been in progress correspondence has been carried on with Iowa to arrange a date for a game. A letter was received from the manager of that team Saturday, stating that they would meet Nebraska November 4 either in Council Bluffs or Omaha, whichever offered the best guarantee. This offer will be accepted. Effort is also being made to arrange a game with Northwestern and three or four other institutions farther east. It will be possible to arrange a Thanksgiving game with Drake, but since the recent troubles that this team has had with the Iowa league it is deemed best to make haste slowly in regard to the matter.

WORD FROM WEEKS.

Commandant LaRue Brown has just received a letter from Lieutenant Chas. Weeks, written on shipboard in Manila bay and dated August 10. Mr. Weeks had not yet landed when he wrote the letter. By this time he has reached his regiment, the Sixteenth regulars, which is located at the island of Negros.

ABOUT "CORN TASSELS."

When the first edition of this most popular book appeared one of the comments that was made upon it was the following by Carl Smith, the well known critic. The criticism appeared in the Chicago Record, together with several of the poems from the volume. Mr. Smith said:

"His book is called 'Corn Tassels,' for it is of the westland in prime and cheif. It tells of prairies and sod houses and desolation and aspiration and other things that are mixed with life of the home reader. But while youth impels the author to write pessimistically sometimes, a wholesome life and an honest heart cause him to see a great deal of good in his sand-hill world. His little book is a sort of hopeful edition of Hamlin Garland."

A few days ago the Omaha Daily Bee contained the following comment concerning the edition that is about to appear:

"A new edition of 'Corn Tassels,' the book of Nebraska verse, by William Reed Dunroy, will be out in about a month. The first edition of this book was received with much favor in this and other states and won for the author some very flattering reviews from
