### GENEVA MEETING.

The Y. W. C. A. will hold its Geneva meeting in the chapel Sunday afternoon. The delegates to the Geneva conference last summer, Miss Marie Jensen, Miss Bertha Walvoord and others, will report on what was done there. Officers of the international board of the Y. W. C. A. were present at this conference. All the prominent eastern colleges, including Wellesley, Smith, Vassar and Bryn Mawr, were well represented. This meeting cannot fail to be especially interesting. Special music will be given and all young ladies are cordially invited.

### COLLEGE SETTLEMENT.

The mass meeting in the chapel Tuesday morning elected the following student members on the college settlement board: Grace E. Cook, Jennie L. Fox, Emile Fauquet and Robert C. Lansing. The faculty members elected last spring are Professors Swezey, Caldwell and Candy. The first meeting of the new board was called for Wednesday at 5 o'clock in Prof. Swezey's office. Officers elected for the coming year are: Professor Swezey, president; Miss Cook, secretary, and Mr. Lansing, treasurer. Plans were discussed for the year's work, but no new features are yet decided upon. The work now in hand is to select superintendents and procure the teaching force. O. L. Anderson, '94, and wife are the residents at the college settlement to succeed Mr. and Mrs. Fauquet.

### HISTORICAL SOCIETY NOTES.

The annual meeting of the Nebraska state historical society will be held on the second Tuesday and Wednesday in January. One entire evening will be devoted to the discussion of the old overland freighting business. Requests are being sent out now to all of the old freighters for information.

Miss Daisy Palin has been at work all summer preparing papers for the bindery.

The society is preparing a card index of the names of all the cities, towns and postoffices in Nebraska.

Mrs. M. Fritsche has loaned to the society an old family crest. It is hand-painted and is estimated to be between two hundred and three hundred years old. It is the crest of the Lummer family, of which Mrs. Fritsche is a descendant. The family habitat was Kohn of the lower Rhine. The crest will be framed and photographs of it will be sent to the historical society of the lower Rhine with a request for more information. Mrs. Fritsche also brought in a penholder, silver mounted and made of wood from the Mexican orange tree.

A large glass case is being constructed, which will contain all relics collected by the First Nebraska regiment in the Philippines. It will be called the First Nebraska Philippine collection. Lieutenant Colonel F. D. Eager has donated a fine collection. Luther Abbott of Fremont has also contributed some interesting relics.

The society is now considering the advisability of sending out to all the school districts surplus reports of the state agricultural and horticultural societies.

Librarian J. Barrett has in preparation a large map of the state of Nebraska twelve feet long. The map is to be strictly accurate and one up-to-date. Mr. Barrett is also getting up a physical geography of the state for use in the schools.

### SURELY PAINT.

There was a sign upon the fence—  
"Twas 'Paint!'"  
And every sinner that passed by  
And saint  
Touched a finger to it and—  
"Gee whiz!"  
They'd say, and wipe it off;  
"Why, so 'tis!"
