Tigers Go Down Before Victorious Nebraskans—Students Celebrate with Bonfire on Campus.

The Missouri and Nebraska football teams played a hard and closely contested game at Columbia yesterday afternoon. The final score was 12 to 0 in favor of Nebraska men, a touch down being secured in each half.

The game was fast and filled with mass plays and line bucks by both sides. The superior physical condition of the Nebraska team showed to advantage in these plays. However, Missouri put up the hardest and best game she has played this season. Nebraska, strong on the defensive, is fast developing her offensive work. Missouri could only get within twenty yards of her goal line. Punting was a feature of the game.

Nebraska kicked off. Then followed five minutes of the swiftest and hardest playing ever encountered by the Missouri men, they were carried off their feet and Crandall went over for a touch down. Ringer kicked goal score 6 to 0. The Missouri men then took a brace, and securing the ball went through Nebraska's line for repeated gains placing the ball within twenty yards of our goal. Here coach Booth's men proved their strength by holding and kicking to center of field. Most of the playing during the rest of the first half was in Missouri's territory. The ball was on her twenty yard line four times.

The first few minutes of the second half gave neither team an advantage. Then Nebraska took the ball and by steady mass plays it was carried from the center of the field to Missouri's goal line in a few minutes. Cook was pushed over for a touch down. Ringer kicked goal. Score 12 to 0. No further scoring was done during the remainder of the half.

The Nebraskan-Hesperian received dispatches from the game during its progress. They were bulletined on the front steps of the main building and created much interest. The last one, giving the final result, was read to the battalion and all were urged to meet on the campus at seven o'clock. By that time despite the fact that many are home to vote, several hundred had gathered on the campus. They formed in lock step and marched through the main streets cheering. As the line a block long marched past the Co-op, Boomer, furnished paper megaphones to all. At the Auditorium the boys received an enthusiastic reception, applause greeting them as they marched down the aisle.

The line marched back to 11 and O where it disbanded and all scattered to get fuel. By eight thirty a large bonfire was burning in the center of the football field surrounded by enthusiastic and howling students. The celebration was only a sample of what will occur when we win from Minnesota.
