### Dancing Parties and Receptions—Kansas-Nebraska Tennis Championship—Y. W. C. A. Notes.

On November 16 at Walsh hall Delta Delta Delta will give a dancing party.

Alpha Tau Omega gave a tallyho party to the football game last Saturday afternoon.

Miss Hagard very pleasantly entertained the kappa Gamma sorority at her home last Wednesday evening.

Miss Florence Hallowell entertained a number of the Kearney students at supper last Saturday in honor of Miss Hamer, who was visiting the Kearney students here. Miss Hamer returned to her home Monday morning.

On Friday evening Sigma Alpha Epsilon gave a dancing party at the home of Fritz Funke. The parlors were uniquely decorated with chrysanthemums and the fraternity colors, purple and gold. Punch was served during the evening in the dining room. Dainty refreshments were served. Those present were: Misses Marshall, Burrus, Bessie Burrus, Woodward, Thorpe, Morrill, Gould, Macomber, Hargreaves, Funke, Griggs, Bennett, Hammond, Anna Hammond, Taylor, Youngey, Parks, Jenkins, Edmiston. Kappa Alpha Theta gave a delightful dancing party at the home of Miss Agnew last Friday evening in honor of Miss Macfarland and Miss Jessie Macfarland. Unfortunately the latter was forced to leave for New York Wednesday on her way to Europe. The large hall and parlors were cleared for dancing and were beautifully decorated with roses and other flowers. Theta cushions were in evidence in a spacious window seat making a very pretty effect. Ices were served during the evening. The programs were neatly gotten up with drawings by two of the members. Those present were: Doctors and Mesdames Clements, Fling, Lyon and Ladd. Messrs. and Mesdames Hardy and Belcher. Misses Key of Council Bluffs, Post of York, Barr, Macfarland, Armstrong, Foster, Johnson, Agnew, Edgren, Carson, McHenry, Stewart, Weeks, Wirt, Morgan, Douglas, Post, Harper, Paddock, Russell, Elizabeth Paddock, Loomis, Woodford, Ruth Macfarland, Tuttle and Jean Tuttle. Messrs. ### TENNIS CHAMPIONSHIP.

Earl Farnsworth and Ike Raymond played tennis with the Kansas champions last Friday and Saturday. They won in every event. In the singles,

on Friday afternoon Farnsworth won against Wilder by a score of 8-6, 6-2 and Raymond against Sharrard, 7-5, 6-1. On Saturday morning, Raymond and Farnsworth played, the latter winning 6-4, 6-2. In the afternoon, they won the doubles three straight out of five, 6-3, 8-6, and 6-2.

The Kansas men entertained the men from Nebraska in a royal manner. They tried hard to win the contest in order to add it as another victory against the University of Nebraska, which they wish to excel in all things. Regarding football, they have small hopes and show little confidence in their team. There is no college spirit at all. The team was defeated Saturday by a small college with a score of 29 to 0. Such is the idea gained by Raymond and Farnsworth.

## GRINNELL EASY.

### Nebraska Wins—No Score Against Her—Crandall and Cortelyou Make Star Runs of Game—Excellent Team Work.

Grinnell was defeated Saturday afternoon by the Nebraska men in a easy game. The score was 33 to 0. The day was cold with a strong north west wind and traces of snow. However, a fair sized crowd turned out to the game. Alpha Tau Omega was represented by a tallyho filled with the members and their young lady friends.

The crowd was hilariously enthusiastic and gave cheer after cheer as the score piled up and at last passed that made by Minnesota against the same team. Scarlet and cream colors gave the bleachers a beautiful appearance.

The team work of Grinnell was good, but not an equal of Nebraska's. Her men were somewhat lighter, probably an average of five pounds. They, however, were not strong on line bucks. On end runs, the interference was quickly formed, but as quickly broken by the Nebraska men. Their one play, which proved a ground winner, was the mass play on tackle.

Grinnell line as regularly as clock work.

Fumbles and off side plays by the Nebraska men were too numerous. Two or three times she was penalized and twice the ball was returned because of holding in the line.

The star players on the team numbered eleven. Crandall at left half played his usual strong game and made several good runs. On a punt by Grinnell, he caught the ball, and ran through the entire team for 35 yards and a touch-down. Westover played a strong steady game at tackle and is one of the best if not the best tackle that ever played on a Nebraska eleven. Captain Brew is his equal and knows how to run a team. At critical moments, his voice could be heard urging the players on.

Ryon played a steady game in the first half and Johnson in the second, at left end. Cortelyou played the game of his life. He was in every play tackling hard and fierce without missing a single time. In the first half on a fumble by Grinnell, he secured the ball and ran for 70 yards and a touch-down.

Ringer and Koehler played good steady games and held their men. Ringer kicked goal and in the six touch-downs made it would be hard to find goals more difficult to kick with one exception. Also considering the wind he did well.

Montgomery played a good game until he was hurt. Bender took his place and proved a steady half. Eager, when he took Crandall's place in the second half, played a strong game. Drain at quarter played strong football and used his head in giving the signals.

Pillsbury played at full back for the first time and proved a surprise. He hit the line hard and kept his feet well making long sure gains. He is heavy and can stand lots of hard work and with practice will prove a strong back.

### GAME IN DETAIL.

Nebraska won toss and chose north goal. Grinnell kicked and Drain returned 4 yards; Pillsbury kicked 35 yards, and mass play gained 5 yards; end run was tried resulting in no gain; again the line was hit for no gain, but Pillsbury made 5 yards through center. Pillsbury made 4, and 3 yards, Westover 1, Crandall 1, and then Pillsbury 2 yards when Crandall fumbled, and Grinnell gained the ball; Clarke kicked 15 yards, Pillsbury made 5 yards, Ringer 1 yard, and Crandall 1 yard. Here Drain made a pretty run of 30 yards by double pass. Crandall made 2 yards, Westover two yards, on third down they were held for no gain and Grinnell gained the ball on Nebraska's 10 yard line. Grinnell tried mass play for no gain, and Evans only made a yard; Clarke kicked 15 yards, Crandall returned 3 yards, Westover 10 yards through rt. g., Pillsbury 2 yards and Nebraska fumbled in Grinnell's 8 yard line. Grinnell was not able to gain their yard and again resorted to a punt. Clarke kicking 25 yards, Montgomery and Crandall made good gains of 2½ to 15 yards and Pillsbury was pushed off for touch-down. No goal. Score 5 to 0, after 17½ minutes of play.

Grinnell kicked off and an exchange of punts placed the ball on Grinnell's 15 yard line, with ball in Grinnell's

### HOPE.

Out of the dusk and the darkness  
Freed from their fetters of cold  
The daffodils dance o'er the meadows  
Clad in their garments of gold.

Out of the shadow and silence  
Glowing and pulsing with light  
The lilies lift from the marshes  
Regally, dazzlingly white.

Out of the bud of her bidding  
Red with the passion of love  
The rose gives her heart to the sun-god,  
Leaning from sky-courts above.

Out from the hush of its hiding,  
Airily pinioned and frail  
The butterfly leaps into glory,  
Gorgeous in glittering mail.

Out of the grave and its garments,  
Mouldy and foul with decay,  
The spirit takes wing for the upland,  
Loosed from its shackles of clay.

William Reed Dunroy

Clarke for Grinnell, made several pretty punts, far excelling the Nebraska artist in this line. Twice during the second half he healed for a place kick from the field. The first was on the 45 yard line and fell short by a narrow margin. The second was from the 40 yard line and went wild.

Nebraska's team work was superb, every man playing a good individual game and upholding his part in the team. The line was the proverbial "stone wall" against the straight bucks of Grinnell's backs. If any place was weak, it was the right guard Emmons. However, he has not been in the game all the season and will improve fast from now on.

The offensive work was stronger than in any game yet this season. This improvement has been made without any weakening of the strong defensive work, which was so effective in the Medic game. The mass play on tackle was used time after time and proved irresistible. Ten, fifteen, and twenty yards were made time after time.

The line bucks were beautiful. For these, the team quickly and faultlessly formed and pushed through the
