FOO CHOO'S BALSAM OF SHARK'S OIL  
Positively Restores the Hearing, and the only Absolute Cure for Deafness Known.

This Oil is abstracted from a peculiar species of small white shark, caught in the Yellow Sea, known as CARCHARODON RONDELETII. Every Chinese fisherman knows it. Its virtues as a restorative of hearing was discovered by Buddhist Priest about the year 1410. Its cures were so numerous and so many seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at \$1.00 per bottle.

**Hear what the Deaf say!**

It has performed a miracle in my case. I have no unearthly noises in my head and hear much better. I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me. My hearing is much benefited. I have received untold benefits. My hearing is improved. It is giving good satisfaction. Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to HAYLOCK & JENNY, 7 Dey street, New York, enclosing \$1.00, and you will receive by return mail a remedy that will enable you to here like anybody else, and whose curative effects will be permanent. You will never regret doing so."
