

who had caused her to commit the cruel deed. She raised her drooping head again, but sank slowly back upon the couch, around which angels wait to bear her celebrated spirit to heaven. G. B. F.

### *Campus Canards.*

"*Dulce est desipere in loco.*" —Horace Book IV., Ode XII.

Supes.

Have you been fishing yet?

Where are the foot-ballists?

What does our Author next say?

Those on the back seat, be careful.

Latest style in hats at T. Ewing & Co's.

S. V. Mallory is with us again this term.

Rubber coats are now much in requisition.

Elegant Patterns in Neckwear at T. Ewing & Co's

Does Gay bear the dignity of a Prof? He was taken for one.

Special bargains for students at T. Ewing & Co's Emporium.

"Did you hear Richard III?" "Who's he, has he been in Lincoln?"

Hast thou an *unaberlla*? Thou art then the most to be envied of mortals.

Buy your Boots and Shoes of O. W. Webster, O st Academy of Music.

We are informed that Miss Mame Donaldson has returned from California.

The principal question now agitating is "Are you coming back next year?"

Best style, best goods, at lowest prices at T. Ewing & Co's Clothing House.

Call and see the new spring suits at T. Ewing & Co's Clothing Emporium.

"Willow" would finish his street-corner oration—policeman notwithstanding.

The best judges of artistic work go to Kelley & Co for Photos. No. 1026 O street.

J. N. Dryden is again among us on a visit. By the way it is a demi-goate this time.

All the newest styles and patterns of clothing and gent's furnishing goods at T. Ewing & Co's.

Another rumor is afloat with reference to a Freshman girl. Look out for the wedding cake.

Students, it will pay you to get your Photos made at Kelley & Co's. University panels gratis.

Owing to the indisposition of Prof Aughey, Sigel Polk has been hearing the Botany class recite.

The Cadet Band played for the Masons last Tuesday. They are called out on all large occasions.

A Prep gives a new version of "*Veni Vidi Vici*," in the following: "I wrote. I sent. I got left."

If those posts will keep cattle out, it is to be hoped on Friday nights they will keep out the calves also.

All the latest novelties in hosiery, collars, cuffs and gent's furnishing goods at T. Ewing & Co's Emporium

The medical college have issued their manifesto, and now stand with their arms open to receive students next term.

The University is becoming a noted place,—locked doors and night police. Wonder when a jail will be built.

The campus gates have been repaired again, on a much improved plan this time, much more convenient than the old ones.

Walk on the flower beds just as much as possible. It does no harm to the newly planted flowers, only adds to their growth.

Those gate "styles" must be firmly planted in the ground or they surely would have been appropriated as kindling wood ere this.

At last the foot-ball fever has come. The foot-ballists hope in time to rival the base players in use of St. Jacob's Oil and black eyes.

"Are you going to drill?" "I haven't got time; then I have physical disabilities and conscientious scruples, so you see that lets me out."

The compositors of the STUDENT office feel very grateful for a very toothsome chunk of maple sugar presented by Associate McMillan.

A Collegienne, than whom there is no better authority, says that a *seattuation* on a derby hat, hatches an acquaintance sooner than any other known method.

The Second Prep Class is making some marvellous discoveries in the relations of plane triangles. Those taking geometry next fall will have additional work.

A large number of new students have entered this spring. Glad to see them. It is very evident that our University is gaining in reputation both at home and abroad.

It is reported that Halligan was out one afternoon, recently, trying to procure a minister. It is rather an unusual occurrence for a college student to be in this business—suspicious.

Those flowering mustaches and burnasides which luxurated so finely last winter, have already begun to melt away under the powerful rays of the sun and the debilitating results of study.

We understand that the anti-"postal" fraternity have appointed a committee on Ways and Means for furthering their ends. We are not *posted* on their intentions but we believe they purpose business.

"Prof, what is the name of the plant commonly called nigger head." "The botanical name for it is, *Virginium Africanus sphericus rotundifolium*" "That's what I thought it was, but was not sure."

It is positively stated by one who knows, that Cupid arrows are flying about the University in countless numbers, and that many students sooner or later will fall victim to those imperceptible destroyers.

And about the eleventh hour of the night, a mouse began its usual clamor in the cupboard, and as the noise waxed louder the good lady of the house, wearied from broken rest was sorely vexed and called to one that slumbered in an adjacent apartment, that the pesky quadruped might be "Chased" out. Now, the quietude of that house is undisturbed.
