**MUNN & CO. PATENTS**  
NEW YORK

After Forty years' experience in the preparation of more than One Hundred Thousand applications for patents in the United States and Foreign countries, the publishers of the Scientific American continue to act as solicitors for patents, caveats, trade-marks, copyrights, etc., for the United States, and to obtain patents in Canada, England, France, Germany, and all other countries. Their experience is unequalled and their facilities are unsurpassed.

Drawings and specifications prepared and filed in the Patent Office on short notice. Terms very reasonable. No charge for examination of models or drawings. Advice by mail free.

Patents obtained through Munn & Co. are noticed in the SCIENTIFIC AMERICAN, which has the largest circulation and is the most influential newspaper of its kind published in the world. The advantages of such a notice every patentee understands.

This large and splendidly illustrated newspaper is published WEEKLY at \$3.00 a year, and is admitted to be the best paper devoted to science, mechanics, inventions, engineering works, and other departments of industrial progress, published in any country. It contains the names of all patentees and title of every invention patented each week. Try it four months for one dollar. Sold by all newsdealers.

If you have an invention to patent write to Munn & Co., publishers of Scientific American, 361 Broadway, New York.

Handbook about patents mailed free.

SESSION OF 1886-7.

N. S. Davis, M. D., L. L. D., Dean.

The twenty-ninth Annual course of instruction will begin the last week in September 1886 and close in March 1887. The course of instruction is graded, students being divided into first, second and third year classes. Qualifications for admission are either a degree of A. B., a certificate of a reputable academy, a teacher's certificate, or a preliminary examination.

The method of instruction is conspicuously practical, and is applied in the wards of the Mercy, St. Luke's and Michael Reese Hospitals daily at the bedside of the sick, and in the South Side dispensary attached to the College, where from nine to ten thousand patients are annually treated. Fees: Matriculation \$5. Lectures, first and second years, each \$75. Demonstrator including material \$10. Laboratory \$5. Breakage (returnable) \$5. Hospitals: Mercy \$6. St. Luke's \$5., or second and third year students. Final examination \$30.
