MR FRAZIRR—Respected Sir: The first impulse of a man who has been restored from sickness to Perfect Health, is gratitude to the hand that healed him. I was afflicted over two years with Tetter on my head and face. I had taken bottle after bottle of Fenton's Sarsaparilla and other bl' od remedies, but could get nothing to reach my case, until about two months ago, I commenced taking Root Bitters, which has cured me, and I think it nothing more than justice to your discovery to acknowledge the same. My wife has used your Bitters for Rheumstish, for which she has been Doctoring for a long time, and could find no relief, until she commenced taking them. They have effected a complete cure in her case. I have been in the employ of the Cleveland Post Office Department as letter carrier for eleven years I can freely and housestly recommend your Root Bitters to every person, suffering with Salt Rheum, (Tetter) Chronic Rheumstism, Scrofult or any kind of Humor in the Blood, as one of the Honest Cures.
