

We do not desire any contributions whatever of a literary or political character...

POLITICAL.

ALL AGENCIES OF candidates for office whether made by mail or friends...

NOTICE.

On and after October twenty-first, 1872, the circulation of the Daily Bee is assumed by Mr. Edwin Davis...

THE treacherous and disgraceful course pursued by Larson, the publisher of the bogus Scandinavian Republican paper...

THE unveiling and inauguration of the great Lincoln monument over the tomb of the martyred President...

RED NOSH MILLER, who in his brilliant political canvass has devoted so much time to Rosewater...

WATER BONDS DEFEATED.

As we write this we are not informed as to just the number of votes for or against water bonds...

We congratulate ourselves upon one fact, viz: that the Republicans in saying that the proposition was defeated...

THE most forcible illustration of the direct consequences of an odious postal appointment...

Instead of an overwhelming endorsement, the vote on the water question is an overwhelming rebuke to our fossil conservatism...

DOUGLAS COUNTY.

Douglas county has, we must confess, disappointed many staunch Republicans who were but partially familiar with the situation...

Those who have successfully survived the plucky and desperate onslaught of the well drilled and enthusiastic enemy...

CARRY THE NEWS.

Nebraska again greets her sister States with tidings of a well contested, glorious victory for the Republican cause...

JOHNSON COUNTY.

Johnson county will be almost an entire failure of corn, notwithstanding the stand of corn in the spring...

VIRTUOUS INDIGNATION.

The contest here is close. By the aid of colored voters from Council Bluffs, and the use of bushels of money, the ring ticket may have been saved from a total wreck...

The virtuous indignation of the Herald over these alleged corruptions is decidedly refreshing...

The citizens of the county do not appear much discouraged on account of the failure of the crop, looking forward with eagerness when they will have a better season than the last...

INDUSTRIAL POINTS.

The silk factories of New Jersey employ 7,000 girls. The Tailors' Union of New York have under consideration the propriety of building a hall...

The German railways employ about 100,000 persons, and their average yearly pay is 333 thalers, or about \$211.

The iron-workers at the Lancaster Manufacturing Company's works are on a strike. Reduction of wages the cause.

The Austrian printers have two successful co-operative printing offices at Vienna. Over two thousand printers are interested.

Eight hundred paper mills in the United States give employment to 20,000 people, and produce \$70,000,000 worth of paper per annum.

The women employed in tailoring in New York have been discussing for some time past the organization of a protective association.

M. Godin, the founder of the famous family store at Guise, France, divides his profits of his large establishment to capital, invention and labor.

The Cleveland trades unions maintain an industrial council, composed of three delegates from every branch of the city. Twenty branches are represented.

The Iron Moulders' International Union, at its recent Richmond convention, reported 67 branches of local unions existing in 17 States and the British provinces. They number about 7,000 men.

Reports from Minnesota state that there is a large excess of Scandinavian labor there, emigration having been forced by the misrepresentation of agents. Unskilled laborers' wages are not over \$1.25, and living is high.

Wages in Australia range, for skilled trades, at from 12 pence to 15 pence per hour, or from \$11 to \$17 per week. For unskilled labor it is 8s. Men in the gold and other mines work eight hours, and other occupations, per day.

TECUMSEH—The Farmers—Rail roads—Buildings, Etc.

A large number of operatives in Amsterdam live in cellar rooms. A lively agitation is now progressing in that city...
