BREVITIES.

Shortly after eight o'clock on Saturday evening a fire was discovered in the barn of Allen Rook between Farnham and Douglas. Before the alarm could be given the whole building was in flames...

The office of the U. S. collector of internal revenue will be closed at 3 p. m. daily during the month of May.

An old man brought into police court yesterday charged with intoxication, was let off by Judge Hawes with a reprimand.

The donation which was to have been given to the pastor of the Christian church has been postponed on account of sickness.

John Christy, convicted before Judge Hawes of petit larceny, has been released on a writ of error and gave bonds for his appearance.

The members of the Y. M. C. A. have moved into their new quarters over Farnham street, which has been fitted up in a neat and tasty manner.

Four boys, living in north Omaha, whose names are John Bruner, Alfred Lacey, John Knight and Lewis Stein, ran away from home on Thursday afternoon and when last heard of were near Blair trying to get back.

A workman of Mr. Fitch, the sixteenth street barber, stole a fire razor, two pairs of shears, and a lot of other things, and then struck out for another locality.

John Fitch was at dinner at the time of the robbery.

FIRE BUGS.

A Dwelling House on Jackson Street Burned Early This Morning.

The Third Incendiary Fire Within Forty-eight Hours.

Between 12 and 1 o'clock this morning a fire was discovered in an old barn in the rear of the dwelling of Patrick Steinhilber, on the north side of Jackson street between Thirteenth and Fourteenth streets.

The flames, when discovered, shot up quickly, enveloping the barn, and the Manning family, who had retired, were quickly awakened and routed out.

An alarm sounded, the engines were soon at the scene of the fire, which burned fiercely, communicating to the house, which was soon ablaze.

The firemen did effective work, but were unable to save much of the house, although three streams were soon playing on the fire.

The blaze was nearly or quite destroyed, the loss being about \$800, on which there is some insurance.

Sheds in the neighborhood were slightly injured, but nothing of any considerable amount, save the Manning property, was damaged.

The fire representative undertook to find out what ground there was to the rumor of incendiarism, but despite considerable interviewing nothing definite could be learned.

One man, however, who was early at the fire declared that a man whom he met in the alley back of the barn had positively stated that there was a very strong smell of coal oil about the premises when the fire was first discovered.

Mr. Manning declared that the fire must have been set, for there had no light or fire about the barn that evening, and his family had retired some time before the blaze was discovered.

The fact that we have had three fires within two days, each of which is strongly suspected to have been the work of incendiaries, leads our people to question whether or not we have an organized band of fire bugs among us who are bent on destroying the city.

COUNTY CONVENTION.

A Long Political Battle, which Lasts Seven Hours.

And Results in a Victory for Blaine and an Honest Delegation.

A New County Central Committee, with Dick McCormick as Chairman.

The Vagaries of the Apostle "Paul Vandervoort and Silas W. Miner."

The republican county convention met Saturday afternoon at the count house to elect seven delegates to the state convention at Columbus, and to transact such other business as might come before it.

Long before the hour for assembling had arrived, the neighborhood was crowded with the different delegates and their friends.

At a motion to adjourn to Monday at 2 o'clock was lost.

It was finally carried by a vote of 27 to 26, with raised hands, to take a vote by wards and precincts, after a lively discussion had taken place.

The motion to adjourn to Monday at 2 o'clock was lost.

For Richel, 34; against Richel, 39. Mr. Richel the retired from the convention, saying that he would be aided by the result and bore no ill will towards any one.

GETTING DOWN TO BUSINESS. The convention then proceeded to permanent organization, and the temporary organization was made permanent.

Gen. Cowin moved to elect delegates to the state convention, and that the delegates be declared chosen.

Mr. Rosewater moved that the ticket already made up be adopted.

A new county central committee be organized, and that the committee be chosen in a few minutes.

While the convention was preparing their ballots, an informal call was made of the various delegations to see whether they were ready to vote.

On motion of Mr. Edward Rosewater the committee was instructed to report back the straight delegates.

Mr. Rosewater insisted on the vote on adjournment being taken first, and resulted 34 to 40 against adjournment.

Mr. Rosewater now moved that this convention do now proceed to elect a new central committee.

Mr. Rosewater moved that J. S. McCormick be elected chairman of the committee and delegate at large.

The vote by wards and precincts was taken when an alarm of fire sounded and threw the convention into still greater confusion.

On motion of J. S. Wood, Dick McCormick was unanimously elected chairman of the committee.

It was then agreed that each ward or precinct select its own members of the committee.

The following committee on credentials was appointed: I. W. Miner, E. M. Simer, Paul Vandervoort, J. S. McCormick, J. T. Griffin, and Geo. A. Hill.

DECORATION DAY.

In Memory of Our Dead Heroes

The following orders have been issued from the headquarters of the Grand Army of the Republic:

HEADQUARTERS DEPARTMENT OF NEB., GRAND ARMY OF THE REPUBLIC, ASST. ADJUTANT-GENERAL'S OFFICE, GENERAL ORDERS No. 2.

OMAHA, Neb., April 26. In compliance with the order and regulations of the department, No. 8, from national headquarters, Saturday, May 2nd, will be observed as memorial day by the Grand Army of the Republic.

The mode in which these ceremonies may be conducted is left to the judgment of posts, but it is suggested that they invite the cooperation of other organizations, and of the public generally.

It is hoped the custom of preceding year of planting flowers at the graves will be generally observed.

Where no posts of the Grand Army are established citizens are earnestly requested to arrange for the proper observance of the day, that the graves of each dead soldier and sailor may be appropriately honored.

Attention is called to the following resolutions adopted by the department encephalitis at Lincoln, Neb., April 8, 1880:

"Resolved, That on Sunday, May 30th, the post commanders assemble their posts at their post rooms and march in a body to some church where the minister will deliver a sermon appropriate for the occasion."

There are four Bohemian societies in the city, the Lodge Palacky No. 19, C. S. P. S., the dramatic club "Tyti," and the turners "Sokal." Each of these organizations have appointed a committee of four who will co-operate to form a Bohemian building association. The body will apply for articles of incorporation under the state laws and unite to erect a neat and elegant structure. Such a building has long been needed, and we congratulate the societies on the prospect before them.
