THE CONVENTION.

A Blaine Victory---The Third Termers Routed.

A Solid Blaine Delegation Sent to Chicago.

After an All Night Session.

The republican state convention to elect delegates to the national convention at Chicago was one of the most exciting in the political annals of the party in Nebraska. The Grant boomers had mustered all their available forces for the occasion, and a number of their self-constituted leaders were

early on the ground endeavoring to form ccalitions with such of the diswestern trip, affected as they could pick up from instructed B'aine delegations. The result is told in our full special dispatches, which we append, and which stow that the sentiment of Nebraska will be faithfully represented in Chicago and her preference there expresscific Railway company. ed for the plumed knight:

COLUMBUS, May 19.—The town has been rapidly filling up with delegates all day, and the various hetels have hed their capacity tested to the utm st in order to accommodate the crowds agent of the Baltimere & Ohio ra lwhich each succeeding train has been | way, headquarters at Chicago, and W. pouring into the city. A TUMBLE.

The Lumber Dealers Fall Out and Furchasers Reap the Benefit.

Some time since the lumber deal: rs will visit the gigantic institution, the of this city formed a combination to maintain prices, and mutually agreed to a card rate by which none should undersell the other. In consequence of this virtual pooling the price of lumber in our city has remained for some months at an abnormally high rate, building has been retarded, the trades have suffered, and a number o We expect to see crowds at each perour citizens had determined to tike formance. It is the "Oll Reliable." some steps to relieve builders of the extertionate rates which were being

Inquiries among the various architects and and builders developed the fact that the cost of erecting frame buildings, owing to the price placed by the lumber dea'ers upon their wares, had increased fully thirty per cent. over last year, and although in the early spring every indication pointed to a coming building boom of greater proportions than for years previous, yet when estimat s were made upon plans the figures ran up to such an extent that a large proportion of those who had intended to build were fright ened off, and determined to wait until a drop in lumber took place.

Two of the deslers this morning announced through cards the tapers a reduction on freming timbers and stock boards which amous to to about 10 percent, and the remainder will, of course, have to fol-In conversation with a dealer y ster-

day morning, headmit eithat priceshed been high, but said that the low rate in Chicago was due to the speculation of the wholesalers, who had borne down the ma ket at the mills in order to make advantageous contracts for the coming spring. This depression ess, the trade here have considered abnormal and temporary, and were es much surprised as any at its continuance for so long a time Finally, f r the interests of the trade, it seemed better to reduce prices and all the lumber dealers would follow suit. At the same time he wished it understood that there was no war among the dealers, and that no further cuts would probably be made.
