

Our Correspondents will always be pleased to hear from you on matters connected with the Bee...

See Name or Name, in full, must be such as to identify the person...

Advertisements for Office—whether or made by self or friends, and whether as notice of communication to the Editor...

NATIONAL REPUBLICAN TICKET. FOR PRESIDENT: JAMES A. GARFIELD, OF Ohio.

FOR VICE-PRESIDENT: CHESTER A. ARTHUR, OF New York.

CONSIDERING the capital invested and the laborious preparations made to create a sensation...

The meeting had been extensively advertised, speakers were imported from abroad, a permanent grand stand was erected with gas fixtures...

Large quantities of testimony are being shipped from Pinta county, in the southern part of the territory...

The prospects are fair for a good yield of grain on the sand ridge between Kayville and Ogden. A good shower would greatly assist the wheat and barley just now...

The annual cattle roundup is now being made in Wet Mountain valley. The Denver and Rio Grande track reached Montezuma...

The Leadville people are estimating that the output for the year will be \$25,000,000. If it reaches \$20,000,000 everybody will be satisfied.

Denver now shows 35,704 persons enumerated, with no probability of the list being increased more than 100 by persons appearing at the courts...

Building is going on very rapidly in Gunnison City, and many new and substantial structures are being erected. The post-office building is going to be one of the best in town...

There has been considerable progress made toward the construction of the Pueblo and Silver Cliff road. The survey of the road has been completed...

Arizona boasts a mine capitalized at \$60,000,000. The assessor reports in Prescott \$609,445.54 worth of property.

Travel to Globe district is greatly on the increase. Two daily lines are running and every coach is crowded with passengers.

Eight carloads of material with men and equipments complete have been sent to Benson to build the range of hills and valleys. Many herds have yielded five pounds of wool per head this year.

There has been considerable progress made toward the construction of the Pueblo and Silver Cliff road. The survey of the road has been completed...

WYOMING.

The ditch to Ch. yenne's new reservoir is nearly completed. The population of Wyoming will probably foot up to over 210,000.

There are over three hundred persons from Cheyenne in North Park. To the North park there are 100 houses erected in the mining region...

The only practical route for wagons from Cheyenne to the North Park is in a very bad condition, causing much loss to freighters and others...

The late grand jury did more inciting for cattle stealing than any other grand jury ever convened in the district court here since the organization of the territory.

The Fort Collins route to the North Park is nearly finished to the head of Owl Creek. The road will be turned down Owl Creek, where it will join the Cheyenne route...

The Mill creek boom is increasing in extent. It is reported that rock assays at \$1,600 have been discovered near Iron City, Iron county...

Large quantities of testimony are being shipped from Pinta county, in the southern part of the territory, to San Francisco. Big deposits of it have been recently discovered...

The prospects are fair for a good yield of grain on the sand ridge between Kayville and Ogden. A good shower would greatly assist the wheat and barley just now...

The annual cattle roundup is now being made in Wet Mountain valley. The Denver and Rio Grande track reached Montezuma...

IDAHO.

Custer continues to improve, and will present a very respectable appearance when all the buildings now in course of construction are completed.

Blackfoot, on the Utah and North-railroad, is having a boom. This is the shipping point for the Saw Tooth, the North River, Nezacs, Park and Bay Horse districts...

New mines are being found all over the Wood county territory. The outer foot hills up to Saw Tooth, a distance of about seven miles...

The fruit crop of Los Angeles county, with the exception of peaches, never looked better. Apricot trees are loaded, and the quality of the fruit is unusually high...

In Tulare county, between Porterville and Visalia, 5000 acres of wheat, belonging to Sweet & Flahg, were destroyed by a fire on Monday...

The fire which was burning in the mountains near Reno recently, were less destructive than the fire which broke out on Friday night...

A new town, called Cooke City, has been laid out at Clark's Fork mines, near the company's smelter.

It is probable that there will be no lively times at the fair given in Meagher county this season.

One of the most desperate gangs of horse-thieves and cut-throats that ever infested the territory is at work in Colorado county.

The erection of a school building at St. Peter's Mission, a day and boarding school, has been commenced.

Work has been commenced on the First National Bank at Benton. The building will be one of the finest in the territory...

The majority of the Crow nation refused to accept the treaty recently concluded by their chiefs in Washington...

Farmers on the west side of the Madison river intend constructing an irrigating canal about fifteen miles long, at a cost of \$5,000...

Yogo, as far as prospected, has proven to be good flume diggings, and it is probable that the mine owners will be consolidating into large companies...

The Utah and Northern railroad company has laid out a new town, which it will call Belmont...

Quite a number of prospectors are now engaged in searching for quartz veins in the mountains near Deer Lodge...

It is stated that several large stock ranches have already been taken up by Illinois and Ohio men between the Little and Snake rivers...

Another fine seltzer spring has been found in the Napa mountains. The sugar beet experiment will be tried in Los Angeles county this year...

The hydraulic miners on the eastern slopes of Bodie Ridge are said to be making from \$12 to \$50 per day.

The experiment of raising cranberries has been successful in Susanville. The cranberry season found most successful was over on last year...

A streak of auriferous gravel has been struck by the workmen who were excavating across Spring street, Los Angeles.

A Brighton (Sacramento county) orchardist has the peach crop picked from one half acre 1600 pounds of strawberries.

At Port Wine, Sierra county, June 21, the snow was eight feet deep on a level, and in the ravines and canyons it was much deeper.

The lake on top of the mountains between Quincy and Indian valley is still covered with three or four feet of clear blue ice.

An immense cave, which is reported to contain remains of prehistoric animals and men, has been discovered near the mouth of the Colorado river...

Preparations are being made at the Blue Tent mine, Nevada county, for the firing of a blast charged with 1000 kegs of powder...

The fruit crop of Los Angeles county, with the exception of peaches, never looked better. Apricot trees are loaded, and the quality of the fruit is unusually high...

In Tulare county, between Porterville and Visalia, 5000 acres of wheat, belonging to Sweet & Flahg, were destroyed by a fire on Monday...

The fire which was burning in the mountains near Reno recently, were less destructive than the fire which broke out on Friday night...

A new town, called Cooke City, has been laid out at Clark's Fork mines, near the company's smelter.

It is probable that there will be no lively times at the fair given in Meagher county this season.
