Not long were they left to wonder in doub,
A being soon came they had heard much abo
Twas Santa Claus' self and this they all say,
He leoked like the picture v essee every day. He drove up a team that looked very queer,
Twas a team ef grasshoppers instead of reindeer,
He rode in a shell instead of a sleigh,
But he took them on board and drove them

away. He showed them all over his wonderful realm. He showed them all over his wonderful realm, And factories making goods for women and men. Furriers were working on hats great and small, To Bunce's they said they were sending them all Kris Kingle, the Glove Maker, told them at once, All our Gloves we are sending to Bunce, all our Gloves we are sending to Bunce, arta showed them suspenders and many things

more.
Saying I alse took these to friend Bunce's store.
Santa Claus then whispered a secret he'd tell,
As in O aha every one knew Bunce well,
He therefore should send his goods to his care,
Knowing his fried s will get their full share.
Now remember ye dwellers in Omaha town,
All who want presents to Euroce's co round. All who want presents to Funce's go round, For shirts, collars, or gloves great and small, Send your sister or aunt one and all. Bunce, Champion Hatter of the West, Dougla gtreet, Omaha
