THE NEW AMER. of Afghanistan was publicly prayed at Cabulet yesterday all the mosques being crowded.

B. GRANT BROWN has announced himself as a candidate for the Missouri senatorship.

ENGLISH officers believe the settlement of the Afghan question by no means final, and predict an early renewal of the trouble.

The Springfield Republican says that the visit of the democratic committee to Mr. Tilden was positively the first walk on record where the corpse recited the motto.

The physicians are still daily predicting Tilden's failure. If the Dr. only failed half as often as the physicians have failed to predict, he would have been a complete failure twenty days since.

The rifle-match at Wimbledon was only international in the composition of the teams.

HANCOCK is delaying his letter of acceptance until that of Mr. E. G. Loring is ready, in order that there may be no conflict in the two productions.

GEN. SHERMAN told Mayor Chase that he had never been a democrat. He did vote for Buchanan in 1855, while he was in California.

THEY don't believe much in the independence of Colorado. Friday, the 10th inst., the coroner in the case of John J. Hagan, the well-known Fairplay, was called on by the jury.

REPUBLICANS have every reason for confidence that the coming campaign will be the most thoroughly organized and carefully planned any in the history of the party since that of 1860.

THE danger in which our public library was placed few are aware since by the fire in William's block has brought out the startling fact that not a dollar of insurance is in force on the building.

THE accident at Thursday's fire was no doubt partly owing to the wash out on the corner of Douglas and Sixteenth.

IT will be an evil day for the republic, said Secretary Schurz in his late speech at Indianapolis.

THE SCHOOL QUESTION.

The board of education will probably come to a decision on the reorganization of our school system and the selection of a superintendent at their meeting to-night.

It is to be expected that the school system will be reorganized in the standard of the high school in order to make it practically efficient as a means of education.
